The Natural History Of The Chorus Girl

Yves Bessieres, Patricia Niedzwiecki

The Natural History Of The Chorus Girl:

The Natural History of the Chorus Girl Derek Parker, **Ziegfeld Girl** Linda Mizejewski, 1999 A study of the iconographic significance of the Ziegfeld girl in twentieth century American conceptions of sexuality race class and consumerism **The Routledge Companion to Dance Studies** Helen Thomas, Stacey Prickett, 2019-10-30 The Routledge Companion to Dance Studies maps out the key features of dance studies as the field stands today while pointing to potential future developments It locates these features both historically within dance in particular social and cultural contexts and in relation to other academic influences that have impinged on dance studies as a discipline The editors use a thematically based approach that emphasizes that dance scholarship does not stand alone as a single entity but is inevitably linked to other related fields debates and concerns Authors from across continents have contributed chapters based on theoretical methodological ethnographic and practice based case studies bringing together a wealth of expertise and insight to offer a study that is in depth and wide ranging Ideal for scholars and upper level students of dance and performance studies The Routledge Companion to Dance Studies challenges the reader to expand their knowledge of this vibrant exciting interdisciplinary field *The Encyclopedia of Vaudeville* Anthony Slide, 2012-03-12 The Encyclopedia of Vaudeville provides a unique record of what was once America's preeminent form of popular entertainment from the late 1800s through the early 1930s It includes entries not only on the entertainers themselves but also on those who worked behind the scenes the theatres genres and historical terms Entries on individual vaudevillians include biographical information samplings of routines and often commentary by the performers Many former vaudevillians were interviewed for the book including Milton Berle Block and Sully Kitty Doner Fifi D Orsay Nick Lucas Ken Murray Fayard Nicholas Olga Petrova Rose Marie Arthur Tracy and Rudy Vallee Where appropriate entries also include bibliographies The volume concludes with a guide to vaudeville resources and a general bibliography Aside from its reference value with its more than five hundred entries The Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten Many of the vaudevillians here including Jack Benny George Burns and Gracie Allen Jimmy Durante W C Fields Bert Lahr and Mae West are familiar names today thanks to their continuing careers on screen At the same time and given equal coverage are forgotten acts legendary female impersonators Bert Savoy and Jay Brennan the vulgar Eva Tanguay with her billing as The I Don't Care Girl male impersonator Kitty Doner and a host of freak acts **Chorus Girl Collective** Monica Eugenia Stuft, 2008 *The City in Slang* Irving Lewis Allen, 1995-02-23 The American urban scene and in particular New York's has given us a rich cultural legacy of slang words and phrases a bonanza of popular speech Hot dog rush hour butter and egg man gold digger shyster buttinsky smart aleck sidewalk superintendent yellow journalism headline straphanger tar beach the Tenderloin the Great White Way to do a Brodie these are just a few of the hundreds of popular words and phrases that were born or took on new meaning in the streets of New York In *The City in Slang* Irving Lewis Allen traces this flowering of popular expressions that

accompanied the emergence of the New York metropolis from the early nineteenth century down to the present. This unique account of the cultural and social history of America's greatest city provides in effect a lexicon of popular speech about city life. With many stories Allen shows how this vocabulary arose from city streets often interplaying with vaudeville, radio, movies, comics, and the popular songs of Tin Pan Alley. Some terms of great pertinence to city people today have unexpectedly old pedigrees. Rush hour was coined by 1890, for instance, and rubberneck dates to the late 1890s and became popular in New York to describe the busloads of tourists who craned their necks to see the tall buildings and the sights of the Bowery and Chinatown. The Big Apple itself, since 1971 the official nickname of New York, appeared in the 1920s though first in reference to the city's top racetracks and to Broadway bookings as pinnacles of professional endeavor. Allen also tells fascinating stories behind once popular slang that is no longer in use. Spielers, for example, were the little girls in tenement districts who danced ecstatically on the sidewalks to the music of the hurdy gurdy men, and when they were old enough frequented the dance halls of the Lower East Side. Following the trail of these words and phrases into the city's East Side, West Side, and all around the town from Harlem to Wall Street and into the haunts of its high and low life, *The City in Slang* is a fascinating look at the rich cultural heritage of language about city life.

Female Spectacle Susan A. Glenn, 2009-07-01 When the French actress Sarah Bernhardt made her first American tour in 1880, the term feminism had not yet entered our national vocabulary. But over the course of the next half century, a rising generation of daring actresses and comics brought a new kind of woman to center stage. Exploring and exploiting modern fantasies and fears about female roles and gender identity, these performers eschewed theatrical convention and traditional notions of womanly modesty. They created powerful images of themselves as ambitious, independent, and sexually expressive. New Women. *Female Spectacle* reveals the theater to have been a powerful new source of cultural authority and visibility for women. Ironically, theater also provided an arena in which producers and audiences projected the uncertainties and hostilities that accompanied changing gender relations. From Bernhardt's modern methods of self-promotion to Emma Goldman's political theatrics, from the female mimics and Salome dancers to the upwardly striving chorus girl, Glenn shows us how and why theater mattered to women and argues for its pivotal role in the emergence of modern feminism.

Swinging the Machine Joel Dinerstein, 2003 An innovative study of the influence of black popular culture on modern American life. In any age and any given society, cultural practices reflect the material circumstances of people's everyday lives. According to Joel Dinerstein, it was no different in America between the two World Wars, an era sometimes known as the machine age, when innovative forms of music and dance helped a newly urbanized population cope with the increased mechanization of modern life. Grand spectacles such as the Ziegfeld Follies and the movies of Busby Berkeley captured the American ethos of mass production with chorus girls as the cogs of these fast-flowing pleasure vehicles. Yet it was African American culture, Dinerstein argues, that ultimately provided the means of aesthetic adaptation to the accelerated tempo of modernity. Drawing on a legacy of engagement with and resistance to technological

change with deep roots in West African dance and music black artists developed new cultural forms that sought to humanize machines In The Ballad of John Henry the epic toast Shine and countless blues songs African Americans first addressed the challenge of industrialization Jazz musicians drew

The Clique ,1982 **The Athenæum** ,1888 The Emergence and Development of the Black Dramatic Actress, 1890-1917 Jo A. Tanner,1989 **Judy's Annual** ,1895 **A History of Erotic Literature** Patrick J. Kearney,1982 **Boston Home Journal** ,1899 **The Athenaeum** ,1888 'A little flutter'. Henry Savile Clarke,1892 **World's Fair Puck** ,1893 **The century reciter, ed. by H.S. Clarke and L. Wagner** Henry Savile Clarke,1895 *A History of Music in American Life: The modern era, 1920-present. Symphony orchestras, concert life, and a democratic society* Ronald L. Davis,1980 **Women and Music** Yves Bessieres,Patricia Niedzwiecki,1985
