

A historical photograph showing a large group of Navajo people gathered outdoors. In the foreground, a man in a dark suit and light-colored trousers stands with his back to the camera, looking towards the group. The group consists of many people, including men, women, and children, some sitting on the ground and others standing. They are in a dry, open landscape. The title "THE NAVAJO LONG WALK" is overlaid in large, red, serif capital letters across the upper middle of the image.

The Navajo Long Walk Look West Series:

The Native American Contest Powwow Steven Aicinena, Sebahattin Ziyamak, 2021-11-02 The Native American Contest Powwow introduces Cultural Tethering Theory to convey the importance of the contest powwow in the celebration and preservation of Native American culture The book addresses the concepts of culture cultural change acculturation assimilation and illustrates how competitive powwows align with and differ from competitive sporting events Authors Steven Aicinena and Sebahattin Ziyamak go on to explain how the modern intertribal contest powwow evolved and why modern Native American cultures are experiencing an erosion of traditional values a rapid loss of traditional languages dysfunctional changes in social organization limited opportunity to transmit culturally valued knowledge and reduced opportunities for youths to observe culturally appropriate behavior The authors also examine Native American identity and explore who can legitimately claim to be a Native American under current laws and customs Additional topics addressed include blood quantum cultural knowledge cultural participation being Indian and playing Indian Finally the authors describe the difference between being Native American and playing Indian in powwow and pseudo cultural powwow environments

Atlas of the Indian Tribes of North America and the Clash of Cultures Nicholas J. Santoro, 2009 Atlas of the Indian Tribes of the Continental United States and the Clash of Cultures The Atlas identifies of the Native American tribes of the United States and chronicles the conflict of cultures and Indians fight for self preservation in a changing and demanding new world The Atlas is a compact resource on the identity location and history of each of the Native American tribes that have inhabited the land that we now call the continental United States and answers the three basic questions of who where and when Regretfully the information on too many tribes is extremely limited For some there is little more than a name The history of the American Indian is presented in the context of America s history its westward expansion official government policy and public attitudes By seeing something of who we were we are better prepared to define who we need to be The Atlas will be a convenient resource for the casual reader the researcher and the teacher and the student alike A unique feature of this book is a master list of the varied names by which the tribes have been known throughout history

Handbook of Fathers and Child Development Hiram E. Fitzgerald, Kai von Klitzing, Natasha J. Cabrera, Júlia Scarano de Mendonça, Thomas Skjøthaug, 2020-10-01 This handbook provides a comprehensive review of the impact of fathers on child development from prenatal years to age five It examines the effects of the father child relationship on the child s neurobiological development hormonal emotional and behavioral regulatory systems and on the systemic embodiment of experiences into the child s mental models of self others and self other relationships The volume reflects two perspectives guiding research with fathers Identifying positive and negative factors that influence early childhood development specifying child outcomes and emphasizing cultural diversity in father involvement and examining multifaceted specific approaches to guide father research Key topics addressed include Direct assessment of father parenting rather than through maternal

reports The effects of father presence in contrast to father absence The full diversity of father involvement Father s impact on gender role differentiation Father s role in triadic interactions of family dynamics Father involvement in psychotherapeutic family interventions This handbook draws from converging perspectives about the role of fathers in very early child development summarizes what is known and within each chapter draws attention to the critical questions that need to be answered in coming decades The Handbook of Fathers and Child Development is a must have resource for researchers graduate students and clinicians therapists and other professionals in infancy and early child development social work public health developmental and clinical child psychology pediatrics family studies neuroscience juvenile justice child and adolescent psychiatry school and educational psychology anthropology sociology and all interrelated disciplines

Reframing Western Comics in Translation Nicolas Martinez, 2023-11-20 This book adopts an intermedial translational and transnational approach to the study of the Western genre in European Francophone comics and their English and Spanish translations offering an innovative form of analysis with potential applications in future research on the translation of comics Martinez takes the application of Bourdieu s work on the sociology of culture to translation studies to explore the role of diverse social agents in shaping the products processes and reception of translations of Western comics The book focuses on Jean Michel Charlier and Jean Giraud s iconic Blueberry Western comic book series as a lens through which to examine agency and sociocultural norms that influence translations and the degrees to which cartoonists editors translators and censors frame the genre on a global scale The volume both extends the borders of translation studies research beyond interlingual translation and showcases the study of comics and graphic narratives as an area of inquiry in its own right within the field This book will be of interest to scholars in translation studies comics studies visual culture and cultural studies

The Rediscovery of America Ned Blackhawk, 2023-04-25 A sweeping and overdue retelling of U S history that recognizes that Native Americans are essential to understanding the evolution of modern America The most enduring feature of U S history is the presence of Native Americans yet most histories focus on Europeans and their descendants This long practice of ignoring Indigenous history is changing however with a new generation of scholars insists that any full American history address the struggle survival and resurgence of American Indian nations Indigenous history is essential to understanding the evolution of modern America Ned Blackhawk interweaves five centuries of Native and non Native histories from Spanish colonial exploration to the rise of Native American self determination in the late twentieth century In this transformative synthesis he shows that European colonization in the 1600s was never a predetermined success Native nations helped shape England s crisis of empire the first shots of the American Revolution were prompted by Indian affairs in the interior California Indians targeted by federally funded militias were among the first casualties of the Civil War the Union victory forever recalibrated Native communities across the West twentieth century reservation activists refashioned American law and policy Blackhawk s retelling of U S history acknowledges the enduring power agency and survival of Indigenous peoples

yielding a truer account of the United States and revealing anew the varied meanings of America Empire and Liberty Virginia Scharff, 2015-04-09 Empire and Liberty brings together two epic subjects in American history the story of the struggle to end slavery that reached a violent climax in the Civil War and the story of the westward expansion of the United States Virginia Scharff and the contributors to this volume show how the West shaped the conflict over slavery and how slavery shaped the West in the process defining American ideals about freedom and influencing battles over race property and citizenship This innovative work embraces East and West as well as North and South as the United States observes the 2015 sesquicentennial commemoration of the end of the Civil War A companion volume to an Autry National Center exhibition on the Civil War and the West Empire and Liberty brings leading historians together to examine artifacts objects and artworks that illuminate this period of national expansion conflict and renewal Red Lodge and the Mythic West Bonnie Christensen, 2002 Tracing the story of Red Lodge from the 1880s to the present Christensen tells how a mining town managed to endure the vagaries of the West's unpredictable extractive industries economy She connects Red Lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities exploring how and why westerners first rejected and then embraced western images and how ethnicity wilderness and historic preservation became part of the identity that defined one town BOOK JACKET
