### **The New Americans Vietnamese Boat People Findings:**

*The New Americans* James Haskins, 1980-01-01 Discusses the mass exodus from Vietnam as a result of the war and describes the lives of the Vietnamese who found refuge in the United States      **I Became the Boat People** Don Lao, CPCU, 2013-11-12 The Vietnam War featured political upheavals battle tactics and lots of publicity But underneath all that were everyday people whose lives were forever altered by three decades of fighting In this memoir author Don Lao looks back at what the people of Vietnam went through with this account of how his family went from living an honest and simple life to losing everything in a harrowing war that engulfed Southeast Asia Lao lived an idyllic childhood with his parents eight brothers and four sisters but he was eventually swept into the South Vietnamese Army Although he was born in Vietnam he was Chinese in heritage and so he was always treated like a foreigner even when he was fighting the communists When Saigon fell he sought a better life leading him to a cargo ship along with other refugees who became known as the boat people Their path to America was the first step in finding better lives and reconnecting with loved ones Their tenacity and resiliency earned them the ultimate freedom as Americans living the American dream      *The Boat People and Achievement in America* Nathan S. Caplan, Nathan Caplan, John K. Whitmore, Marcella H. Choy, 1989 This is a description of an interesting and mostly unknown event in recent history which is touted by the publisher as representing a major revolution in naval warfare In truth the event makes a fine politics and espionage thriller but it hardly signifies a radical transformation of military doctrine The concept of wars being fought with missiles exclusively is not new Israel was in a position to use this concept in war time conditions first Based on empirical surveys as well as personal interviews this study examines the cultural values family milieu and psychological characteristics that account for the successes of the Indochinese Boat People Vietnamese Cambodian Laotian in this country Annotation copyrighted by Book News Inc Portland OR
