*The New-Kingdom Temples of Buhen* Ricardo Augusto Caminos,1974      **The New-Kingdom temples of Buhen**  
Ricardo A. Caminos,1974      [Gods in Dwellings](#) Michael B. Hundley,2013-11-10 In this book devoted exclusively to temples and perceptions of the divine presences that inhabit them Michael B Hundley focuses on the official religions of the ancient Near East and explores the interface between the human and the divine within temple environs Hundley identifies common ancient Near Eastern temple systems and examines issues that include what temple structures communicate how temples were understood to function temple ideology the installation of divine presence in a temple the connection between presence and physical representation and human service to the deity Drawing on architectural and spatial theory ritual theory theories of language art history archaeology sociocultural anthropology and comparative studies Hundley offers a single interpretive lens through which to view temple worship Features A close examination of temples in Egypt Mesopotamia Hittite Anatolia and Syria Palestine An interdisciplinary treatment of architecture language ritual and art A dual focus on how a deity's divine presence connects to space and art and how human service to the deity maintains the deity's active presence      *The Enigmatic Netherworld Books of the Solar-Osirian Unity* John Coleman Darnell,2004 In Egypt from the Old to the New Kingdom enigmatic texts were created on the basis of non standardized lists of characters and phonetic signs the exact principles of which are still unclear to this day For the first time this study examines in detail the three most comprehensive known inscription texts from the New Kingdom which were discovered in the tombs of Tutenchamun Ramses VI and Ramses IX Darnell shows that these three texts have a theological iconographic and formal connection and calls them collectively the Book of the Solar Osirian Unity Differentiated and lively he presents the content and theological peculiarities of these texts that deal with the afterlife with each other and in relation to other enigmatic texts of the new as well as the Middle and Old Kingdom      [Handbook of Ancient Nubia](#) Dietrich Raue,2019-06-04 Numerous research projects have studied the Nubian cultures of Sudan and Egypt over the last thirty years leading to significant new insights The contributions to this handbook illuminate our current understanding of the cultural history of this fascinating region including its interconnections to the natural world      [Proportion and Style in Ancient Egyptian Art](#) Gay Robins,Ann S. Fowler,1994 She also considers for the first time how in general the use of a grid system influenced composition as a whole Numerous line drawings of paintings and reliefs with superimposed grids either derived from actual grid traces surviving on monuments or calculated according to the systems used by the Egyptians themselves illustrate the text      **Ancient Egyptian Administration** Juan Carlos Moreno García,2013-06-03 Ancient Egyptian Administration provides the first comprehensive overview of the structure organization and evolution of the pharaonic administration from its origins to the end of the Late Period The book not only focuses on bureaucracy departments and official practices but also on more informal issues like patronage the limits in the actual exercise of authority and the competing interests between institutions and factions within the ruling elite Furthermore

general chapters devoted to the best documented periods in Egyptian history are supplemented by more detailed ones dealing with specific archives regions and administrative problems The volume thus produced by an international team of leading scholars will be an indispensable up to date tool of research covering a much neglected aspect of pharaonic civilization    **The Journal of Egyptian Archaeology** ,1984    *Studies on Ancient Egypt in Honour of H.S.
