

Eager Test Subject

I always thought it might be fun to spend a day at the beach as a hot bikini babe. So when my roommate told me he'd created a device that could adjust someone's body however they wanted, I volunteered as a test subject for its gender options.

I was going to just spend a day at the beach before going back to normal, but my roommate refused to change me back! He wanted me to do him a favor first.

My roommate had been lying to his parents about getting married, and now they were coming in-town to meet his wife. Since I was the only woman he knew, he wanted me to pose as his perfect muslim "wife" until they were back in their home country.

I was annoyed at being stuck like this, but I still tried to make the most out of my bikini day. I wouldn't be allowed to wear one again for a while.
