That Jefferson Boy:

Mr. Jefferson's Men J. B. Wilkins, 2003 A post 9 11 America sees a wave of suicide bombings by the members of the Al Qaeda terrorist organization who have slipped through the cracks and remain in the country The Federal Government facing the pressures of political correctness and dissent amongst enforcement means has its hands tied President Dobson leans on his old friend Todd Fox who is a professor at the University of Virginia Fox already in the planning stages with an intelligence shadow known as Jefferson commissions a collection of hand picked students at the University This collection known as the Liberators moves in an expeditious manner to train mask and prepare for surgical operations aimed at rooting out the remaining Al Qaeda cells in the country and freeing America of the festering explosions of evil Rethinking Thomas Jefferson's Writings on Slavery and Race M. Andrew Holowchak, 2020-01-10 Revisionism has been the historical vogue for well over two decades concerning Jeffersonian scholarship This movement has been an attempt to neutralize the avowed hagiographical scholarship on Jefferson by aiming to offer an all too human Thomas Jefferson The regrettable result has been a depiction iterated and reiterated uncritically by scholars of a less than human Jefferson presenting him as an inveterate hypocrite and racist Thus Jeffersonian scholarship as argued here has become an exercise in useless fatuous repetition of the same claims that has impeded attempts by serious scholars to gain fresh insights into the mind of one of the greatest Americans This book offers a stimulating provocative challenge to the stale revisionist claims on Jefferson concerning his hypocrisy and racism It will appeal to mavens of Jefferson as well as scholars intent on moving forward with Jeffersonian scholarship The book will also appeal to those persons who believe it is time to resituate Jefferson on his little mountain
