*The Monsters That Love Conquered* Brylle Gaviola,2016-03-18 This book is for all the smiles that went down during the middle of a laugh for all the times we thought they were going to be our last For waking up before the sunrise with the nightmares that scar the brain for all the efforts we put forth and died in vain For the bitter goodbyes that became the beginning of the future and the sweet hello s that became the sound of the past For all the monsters that tried to claim us and for all the wars that Love won against their grasp **The Crime of the Opera House** Fortuné Du Boisgobey,1886
