## **The 12 Year Reich A Social History Of Nazi Germany 1933 1945:**

*The 12-year Reich* Richard Grunberger, 1979 The Nazis to enforce their grip on every citizen's allegiance developed a social system unprecedented in history. It was rigidly hierarchical with the seemingly beneficent and ascetic figure of Hitler at the top, the focus for the homage and aspirations of every German man, woman and child. How did the ordinary citizen live under such a system? This book is filled with the facts, the data and the details. The 12 Year Reich is the first comprehensive one volume social history of Nazi Germany showing how Germans lived, worked, relaxed and regarded themselves and others between 1933 and 1945. Jacket flap     The 12-Years Reich. The Social History Of Nazi Germany 1933-1945 Richard Grunberger, 1972     **The Twelve Year Reich** Richard Grunberger, 1971     **The Routledge Companion to Nazi Germany** Roderick Stackelberg, 2007-12-12 Combines a narrative overview with chronological, bibliographical and tabular information to cover major aspects of Nazi Germany. This guide provides a survey of topics such as origins and consolidation of the Nazi regime     **Hitler's Germany** Roderick Stackelberg, 2002-01-22 This book provides a comprehensive history of Nazi Germany and sets it in the wider context of 19th and 20th century German history. It analyses how a culture of such creativity and achievement could generate such barbarism and destructivity     **The Jewish Holocaust** Marty Bloomberg, Buckley Barry Barrett, 1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas: reference materials, European antisemitism, background materials, the Holocaust years, Jewish resistance     *New Images of Nazi Germany*, 2012-09-26 With its battlefields paved over and its bunkers crumbled, the Third Reich of Nazi Germany nevertheless lives on in countless photographs that record an era of extraordinary brutality. This collection of more than 500 photographs taken by amateurs and professional propagandists provides a panoramic overview of Nazi Germany, offering intimate glimpses into living rooms and killing grounds, kitchens and concentration camps, movie theaters and battle fronts. The explanatory text explores the context of the images. Together, these photographs, most never before seen, create a time capsule capturing the faces of Hitler's soldiers as well as those who suffered under the Nazi onslaught on humanity     **Lethal Elites** Alex Alvarez, Richard R. Fernández, 2025-11-13 This eye-opening book highlights the role of elites in constructing systems of persecution and extermination during the Holocaust. Being highly educated or living within a certain social class doesn't prevent us from being lured into destructive systems, especially when they operate to our benefit. The perception that the Holocaust was largely a crime carried out by ill-educated thugs acting on nationalistic hysteria and xenophobic prejudice is a myth. Leaders from many sectors of society, including industry, science and religion, came to support and enable the Nazi government, often due to the ways in which they were able to profit and benefit from the policies of persecution and genocide. With both a social science and historical approach, *Lethal Elites* highlights and assesses the ways in which the influence, training and expertise of the most powerful and best educated were used in service to the genocidal agenda of the National Socialist Regime     *The Weimar Republic and Nazi Germany* Warren Bayard Morris, 1982

*In the Shadow of the Holocaust* James F. Tent, 2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society even as their Jewish relatives were disappearing into the East It draws on extensive interviews with twenty survivors many of whom were teenagers when Hitler came to power to show how half Jews coped with conditions on a day to day basis and how the legacy of the hatred they suffered still lingers in their minds
