With such a complete Lutheran dogmatic concept the first of its kind offered the stunning inner consistency of Luther's theology and its ease of application to contemporary studies become unmistakably clear **The Essential Forde** Gerhard O. Forde, 2019-07-02 No twentieth century American understood Luther's law gospel distinction better than Gerhard O. Forde who was professor of theology at Luther Theological Seminary in Saint Paul Minnesota. Because Forde kept this Lutheran distinction razor sharp his theological writings are an essential inheritance for us today. This volume *The Essential Forde* aims to provide the essence of Forde's writing centered upon Luther's and Scripture's essential distinction that is the distinction between law and gospel. The editors of this volume have chosen some of the most definitive writings of the renowned Gerhard Forde whose influence continues to grow. The list of works trace the contours of Forde's theological argument. Organized around Law and Gospel the selections start off with some historical background on that doctrinal locus but for the most part express Forde's own views of the law and the gospel including death and resurrection, the bondage of the will, good works, preaching and the sacraments. Besides these essential writings the book will provide a definitive introduction by the editors which includes a brief biography of Forde, an essay regarding his doctrinal interpretation and a sketch of the Forde legacy. Also contained in the volume will be a comprehensive bibliography of all of Forde's published works plus work published about him. Theology is for Proclamation Gerhard O. Forde, 1990-01-01 This book drags systematic theology out of the study sticks it into the pulpit onto the altar and under the waters of baptism so that it proclaims the gospel. It sets limits within which discussions of ministry and ecumenism must occur if we are to remain proclaimers of the gospel. Forde's work ought to be the centerpiece for years to come simply because in his inimitably impatient way he has it right. James M. Kittelson, Professor of History, University of Ohio **Naked God** Martin Ayers, 2010
