professional literature with local and cultural works An exhaustive resource that effectively doubles the expanse of Navajo literature surveyed and indexed Din Bibliography to the 1990s is an invaluable tool that both highlights the literature already available and expands such data to include coverage of genres that have been previously underrepresented     Subject Catalog Library of Congress,1976     **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983     *Library Journal* ,1976     *Choice* ,1993     **Subject Guide to Books in Print** ,1993     **DinŽ Perspectives** Lloyd Lance Lee,2014-05-08 The contributors to this pathbreaking book both scholars and community members are Navajo Din e people who are coming to personal terms with the complex matrix of Din e culture Their contributions exemplify how Indigenous peoples are creatively applying tools of decolonization and critical research to re create Indigenous thought and culture for contemporary times
