## **The New American Grandparent A Place In The Family A Life Apart:**

**The New American Grandparent** Andrew J. Cherlin, Frank F. Furstenberg, 1992 Two leading sociologists of the family examine the changing role of American grandparents how they strive for both independence and family ties

*Grandchildhood in Multigenerational Living* Adéla Souralová, 2024-11-22 *Grandchildhood in Multigenerational Living* Practices Meanings Relations is the first book to sociologically analyse grandchild grandparent relationships from the perspective of grandchildren Expanding the knowledge about hitherto under researched grandchildren this book puts grandchildren s perspectives in the centre of qualitative analysis focuses Presenting grandchildhood in its complexity the author addresses its multiple dimensions from 54 in depth interviews with grandchildren living in three generation households with their parents and grandparents Drawing upon family practices this book conceptionally develops grandchild practices as a new approach to see the diversities and similarities harmonies and tensions joys and obligations or simply put the daily ambivalences of family relationships This unique book is an indispensable resource for researchers and students of family studies and sociology of generations who wish to investigate how grandchildren understand negotiate and make sense of their relationships with grandparents

*American Families Past and Present* Susan M. Ross, 2006 Bringing together essays by twenty one distinguished scholars who have helped shape the field of family sociology in the last decade this interdisciplinary anthology examines variation within family experience especially as it has evolved across racial ethnic social gender and generational lines The essays place historical and institutional frameworks at the center of the discussion In depth chapter introductions along with critical questions to spark class discussion make this an ideal text for courses focusing on family composition trends and controversies in the United States

**Readings in Family Theory** Thomas R. Chibucos, Randall W. Leite, David L. Weis, 2005 *Readings in Family Theory* is an anthology of classic and contemporary articles that provides a context for student learning by demonstrating how theory fits into the overall process of scientific research on families The book provokes student interest in theory by providing examples of the scholarly application of family theory to compare how people use similar processes in everyday life Using this contextual orientation the selected readings examine nine prevalent theoretical perspectives from both family and human development sciences

**The Family and Social Change in Chinese Societies** Dudley L. Poston, Jr., Wen Shan Yang, Demetrea Nicole Farris, 2013-11-26 This book focuses on families and their changes in Taiwan and China Traditional notions of what constitutes a family have been changing in China Taiwan and other Asian countries The chapters in this book provide interesting methodological and substantive contributions to the discourse on family and social change in Chinese societies They also underscore the implications of the various social changes in Chinese families Written by Chinese and Western scholars they provide an unprecedented overview of what is known about the effects of social change on Chinese families One might think that defining a family is an easy task because the family is so significant to society and is universal The family is the first place we

learn culture norms values and gender roles Families exist in all societies throughout the world but their constitution differs In the past several decades there have been many changes in the family in Taiwan and China For instance whereas in the West we use a bilineal system of descent in which descent is traced through both the mother s side and the father s side of the family in many parts of China descent is patrilineal although this is changing and China and Taiwan are starting to assume a family constitution similar to that in the West This and other issues are discussed in great detail in this book Indeed it is the very nature of the differences that motivated the writing of this book on changing families in Taiwan and China The chapters in Part I The Family in Taiwan and China focus on the basic family issues in Taiwan and China that provide the groundwork for many of the chapters that follow Chapter 1 is about the distribution of resources in the family in Taiwan Chapter 2 focuses on filial piety and the autonomous development of adolescents in the Taiwanese family and Chapter 3 explores the important issue of family poverty in Taiwan Chapter 4 moves away from Taiwan and looks at several issues of family growth and change in Hong Kong noting the interesting similarities and differences between Hong Kong and China Part II Issues of Marriage the Family and Fertility in Taiwan and China focuses specifically on marriage family and fertility In Chapter 5 the authors discuss the relationships between marital status socioeconomic status and the subjective well being among women in Hong Kong and Taiwan Chapter 6 describes patterns of sexual activity in China and the United States Chapter 7 considers gender imbalances in Taiwan and their impact on the marriage market Chapter 8 also focuses on Taiwan and examines the effects of mothers attitudes on daughters interaction with their mothers in law Chapter 9 compares female and male fertility trends and changes in Taiwan Part III Children and the Family in East Asia and in Western Countries consists of comparative studies of the family and children Chapter 10 examines the dynamics of grandparents caring for children in China Chapter 11 explores family values and parent child interaction in Taiwan Chapter 12 examines the significant amount of diversity among families in contemporary Taiwan Chapter 13 describes adolescent development in Taiwan Chapter 14 examines the impact of son preference on fertility in China South Korea and the United States And Chapter 15 explores the determinants of intergenerational support in Taiwan The final chapter in our book the only chapter in Part IV The Family and the Future in Taiwan examines the future of the family in Taiwan with respect especially to the marriage market and aged dependency

*Aging and the Family* Patricia Neff Claster, Sampson Lee Blair, 2021-02-25 This collection makes a crucial contribution by collating research on aging and the family from an international perspective Providing this wide scope of quality research the volume equips readers to better assess how aging and its related issues are affecting families from multiple backgrounds

**The Changing Family** Mark Hutter, 1998 Previous editions of this book have been at the forefront of changes in sociology s perspectives and views No different is this third edition as it examines the family through a feminist perspective addresses diversity and multiculturalism and reflects upon the globalization of sociology D This updated edition analyzes the family life cycle from an historical and cross cultural perspective The issues of

race class gender and ethnicity are incorporated into the theoretical framework Global examples are used to illustrate the diversity of American family dynamics The book also explains how political and economic changes such as industrialization and urbanization affect the structure and dynamics of the family     *Handbook of Marriage and the Family* Marvin B. Sussman, Suzanne K. Steinmetz, 1987-03-31 Majority of the contributions in this Handbook are from lesser known mid career professionals still directly involved in research More than 50 percent of the contributors are female Topics covered reflect current interdisciplinary directions in family study The first part is a survey of family history methodology and current theory Family diversity in ethnic and socioeconomic terms is addressed in specific chapters However awareness of this diversity is present throughout the more specialized chapters References are listed after each article A subject index is also included ISBN 0 306 41967 X 15 00     *Choice* ,1987     **Marriages and Families** Mary Ann Schwartz, Barbara Marliene Scott, 2007 Taking an historical cross cultural and global approach this book focuses on the link between social structure and the everyday lives of people's diverse experiences of marriages families and intimate relationships It shows how contemporary families go well beyond the traditional heterosexual two parent white middle class family and heterosexual legally sanctioned marriage challenges the assumption that one culture's way of doing things is the natural or right way shows how marriage and family life have changed historically over time and from place to place and how political and economic globalization impacts families worldwide Features extensive boxed material accompanied by questions for personal reflection *Marriages and Families Over Time Ways of Studying and Explaining Marriages and Families Understanding Gender Its Influence In Intimate Relationships The Many Faces of Love Dating Coupling and Mate Selection Sexuality and Intimate Relationships Nonmarital Lifestyles The Marriage Experience Reproduction and Parenting Evolving Work and Family Structures Violence and Abuse The Process of Uncoupling Divorce in the United States Remarriage and Remarried Families Families in Later Life Marriages and Families in the Twenty first Century U S and World Trends* For anyone interested in marriage and family dynamics including individuals counselors nurses social workers home economists etc     *Futures Institute for the Future*, 2000     *Shifting the Center* Susan J. Ferguson, 2001 This anthology explores the issues and diversity of contemporary families presenting balanced coverage of racial and ethnic variation and discussing a wide variety of family arrangements and processes 32 out of the 50 selections included are new to this edition     *The Changing American Family and Public Policy* Andrew J. Cherlin, 1988 This book brings social science perspective to bear on family change and family policy identifies the determinants of change and analyzes the role that government has played and can play in affecting the course of family life     **Debating Children's Lives** Mary Ann Mason, Eileen Gambrill, 1994 Presented in the form of a debate this volume addresses 19 controversial social legal and policy issues concerning children and adolescents Issues explored include parental notification of abortion grandparent rights children divorcing their parents mainstreaming AIDS children and parental leave     **The Family Experience** Mark Hutter, 2004 This anthology examines the cultural diversity of

the American family by providing a range of relevant articles integrating race class gender and ethnicity Taken as a whole these readings reveal both historical trends and unique variations that widen our understanding of the diversity patterns and dynamics of the American family The readings avoid jargon and sophisticated statistical techniques making them easily accessible for students Each selection is accompanied by a brief introductory statement that highlights its sociological significance and contains an introductory essay focusing on pertinent issues and concerns The fourth edition includes 19 new readings on topics including Internet dating the Internet and family relations wives and families of professional baseball players the depiction of fathers in comic books single parenthood by choice divorce and fatherhood
