Israel's Restoration Ashley Crane,2008-11-30 Commentators traditionally use a textual critical methodology in examining Hebrew and Greek manuscripts to establish an original reading frequently attributing other variants to scribal error This book proposes a complementary textual comparative methodology that treats each Hebrew and or Greek manuscript with equal value listening to each voice as a possible interpretive trajectory This methodology is applied to the restoration of Israel in Ezekiel 36 39 initially on a micro level examining each verse for intra linguistic and trans linguistic variants frequently finding exegetical reasons for variants The macro application compares Papyrus 967 with extant manuscripts finding the different chapter order and pericope minus 36 23c 38 due to theological reasons This comparative methodology can be used with any study dealing with different manuscripts and versions **Living Waters from Difficult Passages**

Thomas Moore,2019-11-14 This book is an unforgettable journey that is a must read for every believer As the days grow darker it is essential everyone who desires to live for Jesus understand the difference between Churchianity and Christianity This book clears a path through the religious jungle and clearly identifies the Way of Salvation This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine What is this book about It is about everything that pertains to Godliness and everything that frustrates Godliness It is about growing in Christ and blossoming in faith as well as dying to pride and rejecting the world We are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us This book is a guide to spiritual maturity where we learn to say along with John the Baptist He must increase but I must decrease John 3 30 KJV Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3 8 11 has been taught to them Am I really cursed as a robber of God for failing to pay my tithes Will I really open up new Heavenly windows of blessing by faithfully paying my tithes The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace the plan of salvation

and the Priesthood of Christ *The Names of Jesus* Rubel Shelly,2010-06-15 What s in a name In the case of Jesus Christ rich insights fresh perspectives and pathways to intimacy From Good Shepherd to Lamb of God Rubel Shelly explores the various names given to Christ in the Bible and reveals a Christ that will both surprise and challenge you Shelly a deeply respected scholar uses his unique insight and fervent love for the Scriptures to develop a clear and unobstructed picture of Jesus through the biblical names that describe the One who invites the whole world to come to Him What Shelly discovers and divulges is that these names and titles reveal the ultimate Savior and the ultimate answer to your greatest struggles fears and failures Postmodernism and the Ethics of Theological Knowledge Justin Thacker,2016-04-08 This book establishes the necessary integration of theological knowledge with theological ethics It does this as a response to the postmodern critique of Christianity as exemplified in Rorty and Lyotard They argue that any claim to know God is necessarily tyrannical Contemporary responses to such postmodern thinking often fail to address adequately the ethical critique that is made This book redresses that balance by suggesting that our knowledge of God and love of the Other are so intimately connected that we cannot have one without the other In the absence of love then we simply do not know God Justin Thacker proposes that an effective theological response to postmodernity must address both knowledge and ethics in an integrated fashion as presented in this book The Publishers' Trade List Annual ,1985 **Helping Johnny Listen** Thad Bergmeier,2010-03-01 The preaching of God s Word happens tens of thousands of times each week across the world As these sermons are given when the preacher is faithful to the text of the Scripture it is as if God is speaking to the people of that given congregation The question is are people listening Listening to preaching is more than showing up sitting still or even nodding one s head It is taking that which is preached and applying it to life Helping Johnny Listen is a book designed to help the average person who sits in the average church on the average Sunday take full advantage of the sermons they hear so that they are able to live what they hear Healing Power, Voice Activated Drake Travis,2009 Drake Travis earned his bachelor s in biblical literature from Simpson University and his master s in New Testament literature from Alliance Theological Seminary He was honored with the President s Cup upon graduation from Simpson for having the most positive influence on college life He was ordained in The Christian Missionary Alliance in 1994 He has been an associate pastor of youth worship music missions and collegiates He spent seven years as pastor to students at Central Washington University in Ellensburg During those years the Salt Co grew from twenty five to nearly one thousand students who were involved in the ministry During those years about 450 more became Christians and nearly five hundred went on mission trips to eighteen countries Drake has taken trained sent more than nine hundred people into sixty countries doing missions Discusses the views of healing doctrine as described throughout the Bible centering on the contention that healing is about release and freedom from sin and that it is the cornerstone of Christ s victory over death Supplements to Vetus Testamentum ,1953 American Reference Books Annual Bohdan S.
