The New International Economic Order Perspectives ,1991 *Explaining Foreign Policy in Post-Colonial Africa* Stephen M. Magu,2021-01-02 This book explores foreign policy developments in post colonial Africa A continental foreign policy is a tenuous proposition yet new African states emerged out of armed resistance and advocacy from regional allies such as the Bandung Conference and the League of Arab States Ghana was the first Sub Saharan African country to gain independence in 1957 Fourteen more countries gained independence in 1960 alone and by May 1963 when the Organisation of African Unity OAU was formed 30 countries were independent An early OAU committee was the African Liberation Committee ALC tasked to work in the Frontline States FLS to support independence in Southern Africa Pan Africanists in alliance with Brazzaville Casablanca and Monrovia groups approached continental unity differently and regionalism continued to be a major feature Africa s challenges were often magnified by the capitalist democratic versus communist socialist bloc rivalry but through Africa s use and leveraging of IGOs the UN UNDP UNECA GATT NIEO and others to advance development the formation of the African Economic Community OAU s evolution into the AU and other alliances belied collective actions even as Africa implemented decisions that required cooperation uti possidetis maintaining colonial borders containing secession intra and inter state conflicts rebellions and building RECs and a united Africa as envisioned by Pan Africanists worked better collectively

Hemp and the Global Economy Nadra O. Hashim,2017-10-23 Hemp helped not only to define economic development in southern and border states it also played a crucial role in agricultural production in the Mid Atlantic as well as industrial development in the North east From the founding of the nation the manufacture of American hemp helped monetize the US economy US hemp producers also established a range modern labor practices including the identification and training of skilled labor the use of seasonal workers and ultimately the creation of a sliding scale of wages This book chronicles this history as well as the contemporary controversy obstructing the production of both industrial hemp and medical marijuana The analysis concludes with a survey of current industrial hemp projects including several promising adaptations as a potential medicine a bio fuel and most promisingly a reliable source of clean computing fabrication

**Brandt Commission and the Multinationals** Bo Stråth,2023-02-11 Set against the backdrop of dramatic world order transformations across the 1970s and 1980s this book examines the competing planetary perspectives of the Brandt Commission and the multinationals arguing that the missed opportunities of these decades created a path for contemporary political and economic crises At the Global South s request for a New International Economic Order the Brandt Commission chaired by Willy Brandt was appointed in 1977 The commission with a goal to formulate arguments on how to close the gap between the North and South developed a planetary perspective grounded in economic redistribution ecological considerations and disarmament The multinationals at that time a new kind of business corporation repressed Brandt s vision by seeking freedom from political monitoring This book discusses the ways that global corporations created facts that

changed the world and the preconditions of politics It moves beyond existing research that considers the competition merely a theoretical clash between Keynesianism and neoliberalism Featuring a thorough analysis of the decades trends and a new interview with Shridath Ramphal the Commission's unofficial vice chair this is a timely volume for students and researchers of international relations political science and contemporary history **New Perspectives**, 1990
