The New Legal Order In Hong Kong Hku Preb Law Series

Johannes M.M. Chan, H.L. Fu, Yash Ghai

The New Legal Order In Hong Kong Hku Preb Law Series:

The New Legal Order in Hong Kong Raymond Wacks, 1999-11-01 As Hong Kong enters its third year under Chinese rule the prognosis for the common law remains uncertain Can the improbable doctrine of one country two systems be made to work Will the political controversies that continue to bedevil the territory undermine the rule of law and the integrity of the legal order The 21 essays in this important new collection consider these and many other questions The first part examines several problems that lie at the heart of the Basic Law s promise of legal continuity Hong Kong s economic order and its legal buttresses are analysed in Part 2 while the essays in Part 3 trace the shifts in social values as reflected both in Chinese and Hong Kong law Though they embrace a wide area the contributions to this volume suggest that while many problems lie ahead Hong Kong s law and legal system seem adequately entrenched to endure well into the future Raymond Wacks is Professor of Law and Legal Theory at the University of Hong Kong He is an international authority on the legal protection of privacy and has also published widely in the field of legal theory Professor Wacks has edited several books on Hong Kong law and human rights His recent books include Privacy and Press Freedom 1995 The fifth edition of his text Jurisprudence will appear in early 2000 By far the most comprehensive study of the post 1997 legal order I have come across covering nearly all the subjects which the Basic Law touches upon It contains much insightful analysis of the historical development and future issues surrounding each topic A very valuable contribution to scholarship Far more importantly there is no collection that comes close to such an array of good analysis on so many topics Anthony Neoh SC Visiting Professor Peking University

International Books in Print ,1990 Who's Who in Science and Engineering 2008-2009 Who's Who Marquis, Marquis Who's Who, 2007-12 **Hong Kong's New Constitutional Order** Yash P. Ghai, 1999 This book examines the Basic Law against its historical and socio economic contexts including its international and domestic foundations and the loss and the resumption of sovereignty by China **The Sources of Hong Kong Law** Peter Wesley-Smith, 1994 Hong Kong has a curious mixture of laws old and new written and unwritten home grown and imported Made by various bodies in various ways with various results these laws constitute a reasonably coherent body of rules principles practices procedures assumptions and attitudes How are these differing sources of law best described and explained How are they mobilized and employed How do they achieve the coherence they seem to display and can that coherence be maintained Such are the questions which this book seeks to illuminate They are vital questions for a legal system undergoing significant change at a crucial time in the political development of Hong Kong **Hong Kong's Constitutional Debate** Johannes M.M. Chan, H.L. Fu, Yash Ghai, 2000-02-01 This book explores legal and constitutional issues in Hong Kong s relationship with mainland China through an analysis of the litigation on the right of abode of the children of Hong Kong residents who are born and live in the mainland The litigation in the Hong Kong courts and the subsequent interpretation by the Standing Committee of the National People s Congress were followed with keen interest both locally and internationally and had provoked great

controversy The differing approaches to and styles of interpretation of the Court and the Standing Committee provide a vivid demonstration of the clash of legal systems within which Hong Kong's constitutional system has to operate These issues are discussed in this book by Hong Kong's leading legal scholars and practitioners This book offers perspectives to solve these controversies and to develop an acceptable approach to the interpretation of the Basic Law It captures the sustained public debate on constitutional issues and provides a historical record of this constitutional debate It also contains the full texts of the decision of the Court and the Interpretation by the Standing Committee

The Changing Legal Orders in Hong

Kong and Mainland China: Essays on "One Country, Two Systems" Albert H.Y. Chen, 2021 This collection of selected works by Professor Albert H Y Chen shows the contours of the author's scholarship as it developed over 35 years of his academic career from 1984 to the present The essays are divided into three sections which cover the three major domains of Professor Chen's research Part I covers the legal developments and controversies of One Country Two Systems since the Hong Kong interpretation on the right of abode in 1999 to the anti extradition movement of 2019 Part II shifts to focus on tradition and modernity in Chinese Law including China's Confucian and Legalist traditions and how the socialist legal system in China evolved and modernized in the era of reform and opening Part III examines the transplantation of Western thinking and constitutionalism to East Asia in modern times and discusses the achievements and failures of these efforts In conjunction with an introductory chapter that sets out the basic orientation and paradigm of these legal and constitutional studies and an epilogue that reflects on the main themes this collection exemplifies the author's important contributions to the field and provides insight into how the legal orders in Hong Kong and mainland China have changed over the course of Professor Chen's academic career

Hong Kong, China and 1997 Raymond Wacks, 1993

The 12 essays in this volume written from different theoretical standpoints deploy the tools of legal theory to explore the development of Hong Kong's legal and social systems when Chinese sovereignty resumes in the territory

HKU Press law series, 1993

Contract Law

in Hong Kong Michael Fisher, Desmond G. Greenwood, 2011-01-01 This revised and expanded second edition of Contract Law in Hong Kong is the most comprehensive contemporary textbook on Hong Kong contract law written primarily for law students The 16 chapters of the book cover all basic contract concepts in a reader friendly style and make ample use of case illustrations The book deals with all the core areas of Contract Law The first two chapters introduce the major themes and explain the multiple sources of law in Hong Kong The subsequent thirteen chapters cover the formation of a valid contract its contents vitiating elements the consequences of illegality the termination of contracts and remedies for breach of contract The book concludes with an explanation of the doctrine of privity and proposals for reform of the operation of privity in Hong Kong Particular attention is given to what makes Hong Kong law different from other common law jurisdictions and to the continuing significance of English case law in Hong Kong and the theoretical and practical reasons for this The book is intended primarily as a readable but comprehensive and authoritative text for Hong Kong law students Practising lawyers

and professionals who need to acquire knowledge on the topic however will also find this book useful and accessible

Hong Kong's Legal System in the New Constitutional Order Hongyi Chen,2001 *The Changing Legal Orders in Hong Kong and Mainland China* Albert H. Y. Chen,2021 Hong Kong Media Law: A Guide for Journalists and Media Professionals (HKU Press Law Series) Doreen Weisenhaus,

The Hong Kong Legal System Stefan H. C. Lo, Kevin Kwok-yin Cheng, Wing Hong Chui, 2020 Offers an accessible overview of Hong Kong's legal system and guides first year law students in legal research and methods **Hong Kong Media Law** Doreen Weisenhaus, 2014-05-01 This second edition of Hong Kong Media Law is an authoritative guide to the laws most important to reporters, editors, news executives and other professionals working for the print, online and broadcast media and the lawyers who advise them. Topics include defamation, court reporting, privacy, access to information, copyright, newsgathering and reporting restrictions. The book also examines legal hurdles Hong Kong and international journalists face while reporting on the mainland of the People's Republic of China. Also featured are chapter FAQs and checklists, a glossary of legal terms, a research guide and key legislation texts.

Constitutional law in Hong Kong Anton Cooray, 2017-05-30 Derived from the renowned multi-volume International Encyclopaedia of Laws, this very useful analysis of constitutional law in Hong Kong provides essential information on the country's sources of constitutional law, its form of government and its administrative structure. Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application. Throughout the book, the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure. Thorough coverage by a local expert fully describes the political system, the historical background, the role of treaties, legislation, jurisprudence and administrative regulations. The discussion of the form and structure of government outlines its legal status, the jurisdiction and workings of the central state organs, the subdivisions of the state, its decentralized authorities and concepts of citizenship. Special issues include the legal position of aliens, foreign relations, taxing and spending powers, emergency laws, the power of the military and the constitutional relationship between church and state. Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable time-saving tool for both practising and academic jurists. Lawyers representing parties with interests in Hong Kong will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law.

The Common Law System in Chinese Context Berry Fong-Chung Hsu, 1992 The future of the Common Law judicial system in Hong Kong depends on the perceptions of it by Hong Kong's Chinese population, judicial developments prior to July 1, 1997 when Hong Kong passes from British to Chinese control and the Basic Law. These critical issues are addressed in this book *Hong Kong Legal Principles: Important Topics for Students and Professionals* Stephen D. Mau, **The Hong Kong Legal System** Stefan H. C. Lo, Wing Hong Chui, 2012 香港法律, 2004
