Black Mountain: Alex Hunter 4 Greig Beck,2012-12-01 Alex Hunter code named Arcadian wakes up with no knowledge of who he is in the care of a woman he doesn't recognise in a country not his own But there is a calling deep within him to return home to Black Mountain Formed a billion years ago the Appalachian's Black Mountain hosts a terrible legend Only one elder remains to guard its long forgotten deadly secret and there is a fear that there is evil lurking again Some hikers have gone missing and the rescue team sent to search for them has not returned Meanwhile in nearby Ashville Professor Matt Kearns is drawn into the mystery of an ancient artefact recovered from the mountainside and an image too grotesque to be real A survivor is then found half alive covered in blood blood revealed to be not quite human Alex must confront an age old enemy of man and discover the truth about his past and confront the horror that stalks the frozen mountain and also the one haunting his very soul

The Three Planeteers Edmond Hamilton,2011-10-07 From Earth Venus and Mercury three Musketeers of Space accompanied by a female D Artagnan rocket out in a grim battle against the League of the Cold Worlds Excerpt They sauntered through the crowded krypton lit street bordering the great New York spaceport casually as though there was not a reward on their heads An Earthman a Venusian and a huge Mercurian looking merely like three ordinary space sailors in their soiled drab jackets and trousers But inwardly John Thorn the lean dark headed Earthman of the trio was queerly tense He felt the warning of that sixth sense which tells of being watched His brown hard chinned face showed nothing of what he felt and he was smiling as though telling some joke as he spoke to his two companions We're being followed he said I've felt it since we left the spaceport I don't know who it is Sual Av the bald bow legged Venusian laughed merrily as though at a jest His bright green eyes glistened and there was a wide grin on his ugly froglike face The police he chuckled Gunner Welk the huge Mercurian growled in his throat His shock of yellow hair seemed

to bristle on his head his massive face and cold blue eyes hardening belligerently How in hell s name would the Earth police spot us so quickly after our arrival he muttered I don t think it s the police John Thorn said his black eyes still smiling casually Stop at the next corner and we ll see who passes us At the corner gleamed a luminous red sign THE CLUB OF WEARY SPACEMEN In and out of the vibration joint thus benevolently named were streaming dozens of the motley throng that jammed the blue lit street Reedy looking red Martians squat and surly Jovians hard bitten Earthmen sailors from all the eight inhabited worlds spewed up by the great spaceport nearby There were many naval officers and men too a few in the crimson of Mars the green of Venus and blue of Mercury but most of them in the gray uniform of the Earth Navy *Black Mountain* James Ahlers Farson,2010-07-15 Something monstrous has awoken deep within the Appalachian Mountains where the Davenport family has made their new home But just what is it And what are its intentions Dr John Davenport a veterinary doctor of large animals moves his family to North Carolina after hearing of an opportunity to take over the practice of a retiring veterinarian To the family s delight they find a stone farmhouse for sale on several picturesque acres nestled in the mountains There is even a small lake and a barn on the property the perfect setting for John and his wife Rachael to raise their two active boys Dillon and Drew But the family is not destined to find peace and serenity in the mountains Ten year old Drew Davenport and his family are unexpectedly drawn into a struggle for survival as the result of an amazing discovery Much of what the family had believed about the world is suddenly turned up side down when an ancient secret is uncovered The present day collides with the past when myths and legends become real Along their amazing and difficult journey the Davenports learn lessons about friendship loyalty and sacrifice and about the often blurred line between things good and evil The resourcefulness of the family is stretched to its limits as they unite to protect the values that they cherish And in so doing they restore the faith of a mysterious visitor in the goodness of the human spirit Can the family hope to stand against the darkness that threatens to destroy them *Understanding the Black Mountain Poets* Edward Halsey Foster,1995 An experimental school of poetry its leading proponents **The Black Mountain Book** Fielding Dawson,1991 *Unrhyming poems* David Herbert Lawrence,1928 *Bee Keeper Fred Anderson, Or The Mystery of Crystal Mountain* John H.
