## **The Mystery Of Israel:**

**The Mystery of Israel** Jacques Doukhan, 2004 Jacques Doukhan shows how careless interpretations of Scripture can spawn anti-Semitism. He examines the traditional theories: Has God rejected the Jews as His special people and replaced them with the Christian church? Supersessionism: Or does He have two separate ways of salvation? Judaism and Christianity under different covenants? Dispensationalism: Or is there a third and better way to understand God's plan for the Jews? Israel has the law without Jesus and the church has Jesus without the law. Doukhan argues that the movements diverged when Christianity rejected the law and suggests that Adventism can play an important role in healing the breach. Introduction: Section I: The Rejection Supersessionist Theory; 1. The Failure of Old Testament Israel; 2. The Parable of the Vineyard; The historical context of the New Testament; The theological context of the new covenant; The biblical view of God; The ethical embarrassment; The Sociological anthropological consideration; 3. **The Mystery of Israel and the Church, Vol. 1: Figure and Fulfillment** Lawrence Feingold, 2010-09. This series presents a theology of Israel and her beautiful mission in salvation history from the perspective of the Catholic faith.

**The Mystery of Israel and the Church, Vol. 3** Lawrence Feingold, 2010-09. This work is the third in a series that seeks to elucidate the complex and beautiful relationship between Biblical Israel and the Church in God's plan. The Church is viewed as the fulfillment of the Old Testament prophecies of the messianic Kingdom. Themes include the People of God, the four marks of the Church: one holy, catholic, and apostolic; the oral Torah and oral Tradition; the universal call to holiness; justification; continuity and discontinuity between Israel and the Church; and Mary, daughter of Zion and Mother of the Church. It is hoped that this book may deepen the awareness of Catholics and others of the luminous teaching of the Second Vatican Council in *Nostra aetate*; 4. The Church cannot forget that she draws sustenance from the root of that well-cultivated olive tree Israel onto which have been grafted the wild shoots the Gentiles.
