The Mystery of Israel's Flag David F. Gray,1986-06-01      **The Banner of Israel** ,1896      9 and 11 Kim H.

Veltman,2015-02-23 This is an unlikely story of true events The Day that changed the World in the United States bombing of the Twin Towers the Day of Fate in Germany and the Day of Destiny in Israel are all connected with the 11th day of the 9th month These 9 11 dates entail much more than three events in three countries In the Hebrew tradition they include all the calamities that have befallen the Jews from the time of the Destruction of the First Temple and Second Temple the Expulsion of the Jews from England France Spain through to the Holocaust in World War II These events are in turn part of a larger history which linked the same date with cosmic events such as a day of Cosmic Battle and the Birth of Venus and gave special significance to the numbers 9 and 11 Part one explores this tradition and surveys a range of sources from a former German officer involved in the plot against Hitler to various conspiracy theories These events are also related to swastikas and hexagrams Since World War II there has been a trend to associate swastikas with an evil German Aryan tradition and hexagrams e g six pointed Star of David with a good Jewish Semitic tradition Historically a Jewish connection with the Star of David is late Mediaeval rather than Biblical Swastikas and hexagrams are found in both the Aryan and the Semitic tradition Hence the new trend distorts a complex history More disturbingly in the guise of tolerance and political correctness one version of stories is highlighted others are being suppressed and truth is endangered      **The round towers of Ireland; or, the mysteries of freemasonry, of sabaism, and of Budhism, for the first time revealed. Raquela, a Woman of Israel Ruth Gruber,1978 During her extraordinary career nurse Raquela Prywes was a witness to history She delivered babies in a Holocaust refugee camp and on the Israeli frontier She crossed minefields to aid injured soldiers in the 1948 Arab Israeli War and organized hospitals to save the lives of those fighting the 1967 Six Day War Along the way her own life was a series of triumphs and tragedies mirroring those of the newly formed Jewish state Raquela is a moving tribute to a remarkable woman and an unforgettable chronicle of the birth of Israel through the eyes of those who lived it Amazon com

**Rarest Blue** Baruch Sterman,2012-11-20 For centuries dyed fabrics ranked among the most expensive objects of the ancient Mediterranean world fetching up to 20 times their weight in gold Huge fortunes were made from and lost to them and battles were fought over control of the industry The few who knew the dyes complex secrets carefully guarded the valuable knowledge The Rarest Blue tells the amazing story of tekhelet or hyacinth blue the elusive sky blue dye mentioned 50 times in the Hebrew Bible The Minoans discovered it the Phoenicians stole the technique Cleopatra adored it and Jews obeying a Biblical commandment to affix a single thread of the radiant color to the corner of their garments risked their lives for it But with the fall of the Roman Empire the technique was lost to the ages Then in the nineteenth century a marine biologist saw a fisherman smearing his shirt with snail guts marveling as the yellow stains turned sky blue But what was the secret At the same time a Hasidic master obsessed with reviving the ancient tradition

posited that the source wasn't a snail at all but a squid. Bitter fighting ensued until another rabbi discovered that one of them was wrong but had an unscrupulous chemist deliberately deceived him. Baruch Sterman brilliantly recounts the complete amazing story of this sacred dye that changed the color of history. **The Secret Conversations of Henry Kissinger** Matti Golan, 1976 **Israel's watchman (and prophetic expositor) [afterw.] The prophetic news and Israel's watchman, ed. by A. **Ensign of Nations** Francis Michael Darter, 1946 Democracies and Small Wars Efraim Inbar, 2003-08-30 By their nature democracies clearly have greater constraints than autocratic regimes on their freedom of action as they have to meet constitutional legal and moral criteria in their use of force. This collection analyses a number of case studies showing how democracies have won small wars. **Israel on the Seventh Day** Ruth Gruber, 1968 **Young Israel; a Monthly Magazine**, 1898 *Personalities of the Americas (including the Caribbean)*. The enigma that is Arafat is explored in this probing exploration by one of Israel's finest journalists about whose previous book on the Palestinian Israeli conflict Edward Said wrote a rare Israeli attempt at sympathetic understanding of the Palestinian tragedy. **Shadow Strike** Yaakov Katz, 2019-05-07 The untold story of how the Israeli military stopped Syria from becoming a global nuclear nightmare reads like an international thriller. Jonathan Kirsch Jewish Journal Review On September 6 2007 shortly after midnight Israeli fighters advanced on Deir ez Zour in Syria. They were on a covert operation to destroy a secret nuclear reactor being built by North Korea in the Syrian desert. Shadow Strike tells the story of the espionage, political courage, military might and psychological warfare behind Israel's daring operation to stop one of the greatest known acts of nuclear proliferation. Jerusalem Post journalist Yaakov Katz brings to life Israel's powerful military and diplomatic alliance with the United States revealing the debates President Bush had with Vice President Cheney and Israeli Prime Minister Ehud Olmert. He also shines a light on the diplomatic and military planning that took place in the Oval Office, the Prime Minister's Office in Jerusalem and inside the IDF's underground war room beneath Tel Aviv. Katz also assesses the continued impact of this operation and bracingly asks the question had Israel not carried out this mission what would the Middle East look like today?
