**Ancient Maya** Arthur Demarest,2004-12-09 In this new archaeological study Arthur Demarest brings the lost pre Columbian civilization of the Maya to life In applying a holistic perspective to the most recent evidence from archaeology paleoecology and epigraphy this theoretical interpretation emphasises both the brilliant rain forest adaptations of the ancient Maya and the Native American spirituality that permeated all aspects of their daily life Demarest draws on his own discoveries and the findings of colleagues to reconstruct the complex lifeways and volatile political history of the Classic Maya states of the first to eighth centuries He provides a new explanation of the long standing mystery of the ninth century abandonment of most of the great rain forest cities Finally he draws lessons from the history of the Classic Maya cities for contemporary society and for the ongoing struggles and resurgence of the modern Maya peoples who are now re emerging from six centuries of oppression

**The Maya and Climate Change** Kenneth E. Seligson,2023 One of the most well known things about the Classic Maya civilization is that it collapsed which leads to many questions about what happened Geared toward a general audience this book argues that Classic Maya civilization did not in fact collapse in the literal sense of the word Instead it shifts the focus to the 700 plus years of societal growth and environmental conservation that preceded the transformation of Maya civilization about 1 000 years ago Drawing on archaeological environmental and historical evidence it explores the many ways that Maya communities addressed the challenges of climate change and other tropical environment stressors

*Cities Of The Ancient Maya* Irving Brana,2021-04-19 What is apparent however is the skills of Uxmal's artisans whether through constructing structures like the 5 level Pyramid of Magicians and the expansive Governor's Palace or adorning the structures with precisely detailed art and sculptures In fact the craftsmanship can be credited with helping to preserve Uxmal itself This book will cover the history of the cities as well as the speculation and debate surrounding them Along with pictures and a bibliography you will learn about Tikal and Uxmal like never before This book includes a history of both Tikal and Uxmal but it's actually when it's describing the archaeology and their influences on each city
