know the whole truth of the prodigious case known as that of The Yellow Room out of which grew so many mysterious cruel and sensational dramas with which my friend was so closely mixed up if propos of a recent nomination of the illustrious Stangerson to the grade of grandcross of the Legion of Honour an evening journal in an article miserable for its ignorance or audacious for its perfidy had not resuscitated a terrible adventure of which Joseph Rouletabille had told me he wished to be for ever forgotten

Leroux, 2009-10-01 *The Mystery of the Yellow Room* is presented here in a new unabridged and uncut translation Written in 1907 by Gaston Leroux the celebrated author of *The Phantom of the Opera* the work is one of the first and most dramatic locked room mysteries ever published **The Mystery of the Yellow Room** Gaston Leroux, 2020-03-21 It is not without a certain emotion that I begin to recount here the extraordinary adventures of Joseph Rouletabille Down to the present time he had so firmly opposed my doing it that I had come to despair of ever publishing the most curious of police stories of the past fifteen years I had even imagined that the public would never know the whole truth of the prodigious case known as that of *The Yellow Room* out of which grew so many mysterious cruel and sensational dramas with which my friend was so closely mixed up if propos of a recent nomination of the illustrious Stangerson to the grade of grandcross of the Legion of Honour an evening journal in an article miserable for its ignorance or audacious for its perfidy had not resuscitated a terrible adventure of which Joseph Rouletabille had told me he wished to be forever forgotten *The Yellow Room* Who now remembers this affair which caused so much ink to flow fifteen years ago Events are so quickly forgotten in Paris Has not the very name of the Nayves trial and the tragic history of the death of little Menaldo passed out of mind And yet the public attention was so deeply interested in the details of the trial that the occurrence of a ministerial crisis was completely unnoticed at the time Now *The Yellow Room* trial which preceded that of the Nayves by some years made far more noise The entire world hung for months over this obscure problem the most obscure it seems to me that has ever challenged the perspicacity of our police or taxed the conscience of our judges The solution of the problem baffled everybody who tried to find it It was like a dramatic rebus with which old Europe and new America alike became fascinated That is in truth I am permitted to say because there cannot be any author's vanity in all this since I do nothing more than transcribe facts on which an exceptional documentation enables me to throw a new light that is because in truth I do not know that in the domain of reality or imagination one can discover or recall to mind anything comparable in its mystery with the natural mystery of *The Yellow Room* **Mystery of the Yellow Room** Gaston Leroux, 2018-10-10 *Mystery of the Yellow Room* author Gaston Leroux For sheer originality and ingenuity this story may be reckoned one of the best tales since Gaboriau Seldom does a detective story end with so total a surprise which nevertheless seems logical and natural For the many who delight in following the intricacies of crime and the avenging hand of Justice this book has rare charms *The Mystery of the Yellow Room* Gaston Leroux, 2018-04-23 Even if Hercule Poirot had been born a Frenchman not a Belgian he would have to take second place in detection to Joseph Rouletabille the brilliant young sleuth created by Gaston Leroux Here in his first and most baffling case the eighteen year old

reporter astounds readers with his audacity and ingenuity Who could have tried to murder Mademoiselle Stangerson beautiful daughter of a famous radium scientist And how could they have entered and escaped from a completely locked and watched room With the Surete s top sleuth vying against him Rouletabille is determined to prove only he can solve the case This classic work of French detective fiction was much admired by Agatha Christie As a connoisseur of the detective story she said this was one of the best Others would praise it even more highly than that We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
