Demarest,2012-05-08 How do Christians cultivate a vibrant and Christ centered spirituality that s rooted in biblical clarity Spiritual formation the cultivation of a relationship with God lies at the heart of what it means to be a Christian in the body of Christ But with the rise of diverse spiritual practices from Zen meditation to out of body experiences the idea of spirituality has become watered down by postmodern culture Christian spirituality on the other hand embraces devotion to the triune God abiding in Christ the pursuit of holiness and the cultivation of virtues But what exactly falls within the scope Christian spirituality This volume of the Counterpoints series focuses on the Church s search for spiritual identity meaning and significance as interpreted by four of the major Christian traditions Eastern Orthodoxy represented by Bradley Nassif Roman Catholic represented by Scott Hahn Progressive Protestant represented by Joseph Driskill Evangelical represented by Evan Howard The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion      **Characters and Characterization in the Gospel of John**

Christian tradition enabling us to experience the formative power of the imagination for ourselves It also revives the art of fashioning the soul as an essential aspect of Christian spiritual formation and character development Lanta Davis explains that many of the problems at the heart of the Christian church today such as nationalism consumerism and partisan politics stem from a crisis of the imagination She encourages us to reorient our gaze from diseased cultural forms and fix our eyes instead on works from the historic Christian imaginative tradition that better reflect the love joy and wonder of the gospel Becoming by Beholding will appeal to professors and students in spiritual formation worldview and theology and arts courses as well as to all Christian readers interested in the intersection of theology and art Each chapter introduces a different work of the Christian imagination icons sacred architecture imaginative prayer bestiaries and personifications of the virtues and vices The book also includes a twenty page insert featuring numerous full color images
