The Nature And Function Of Literary Criticism:

The Theory of Literary Criticism John M. Ellis, John Martin Ellis, 1977-01-01 **English Language and Literary Criticism** A.s. Kharbe, 2009 Literary Criticism: A Beginner's Guide Dr. Rakhee Singh, 2024-06-05 Literary criticism is to examine and interpret literature to gain deeper insights and appreciation for it. It enables the critics to explore things like the writer's style, themes, characters, and the historical or cultural context in which the work was created. Many renowned writers have shared their opinions regarding literature throughout history from ancient philosophers like Plato to modern poets and writers. The present book depicts the opinions of such distinguished critics. It is easy to understand and contains numerous examples which would make it easier for the students to understand literary criticism. It will be helpful for the students of English literature and literary theory and criticism. *An Introduction to the Methods and Materials of Literary Criticism* Charles Mills Gayley, Fred Newton Scott, 1899 A Guide to the Study of Literary Criticism Angeline P. Carey, 1895

Literary Criticism Dr. R. P. Tiwari, 2025-04-02 Comprehensive guide to Literary Criticism covering key thinkers from Plato to I. A. Richards. Includes each author's mission, major works, critical contributions, and evaluations. Ideal for literature students and exam aspirants seeking clarity on classical to modern critical thought. **Joseph Addison as Literary Critic** Mitchell Marcus, 1950 *The Reaction of English Literary Criticism of the Late Nineteenth Century to Foreign Realistic Thought* Clarence Raymond Decker, 1928 Religion and Literature: History and Method Eric Ziolkowski, 2019-12-16

Religion and literature is the study of interrelationships between religious or theological traditions and literary traditions, both oral and written, with special attention to religious or theological underpinnings, influences, and reflections in individual texts, oral and written, or authors' oeuvres. Religion and Literature: History and Method by Eric Ziolkowski considers the origins and history of and methods employed in that scholarly enterprise, focusing on the dual constructions of literature in religious studies as a body of sacred writings and as writing valued for artistic merit; the problematics of defining religion; the transformation of theology and literature as a field pioneered by Nathan A. Scott Jr. et al. to religion and literature; the affiliated fields of myth criticism and of biblical reception; and the institutionalization, globalization, and future of the study of religion and literature. *An Essay Contributing to a Philosophy of Literature* Brother Azarias, 1899 **The Just and the Lively** Michael Werth Gelber, 1999 John Dryden is the father of English literary criticism. In *The Just and the Lively* Michael Werth Gelber provides the first complete study of his criticism since Dryden's death almost three hundred years ago. Through a detailed reading of each of his essays, the book explains and illustrates the unity and the development of Dryden's thought. It demonstrates that even as he based his first principles on his own poems and plays, Dryden tried to resolve what since the early sixteenth century had been a key problem in western literature: how to reconcile the demand of classical unity with the bewildering variety of Renaissance drama and romance. The figure who emerges from these pages is a man deeply responsive to the social, political, and intellectual currents of his age. An important influence on critics as diverse as Samuel Johnson and

T S Eliot Dryden retains the power to enlighten and delight the reader of today *Shakespeare as a Dramatic Artist* Richard Green Moulton,1888 **An Analysis of Pragmatic and Objective Theories of Literary Criticism: Implications for Teachers of English in Secondary Schools** Joseph E. Strzepek,1970 Politics and Aesthetics in Contemporary Native American Literature Matthew Herman,2010-02 This book provides the historical framework for the shift in Native American literary studies away from cultural analyses toward more politically inflected and motivated perspectives and examines the key moments in this turn **Literary Criticism for Students** Edward Tompkins McLaughlin,1893 Twentieth-century Literary Criticism Gale Research Company,1999 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 The Johns Hopkins Guide to Literary Theory and Criticism Michael Groden,Martin Kreiswirth,Imre Szeman,2005 Publisher Description *The Christian Union* Henry Ward Beecher,1893 **“The” Athenaeum** ,1888 The Literary Digest Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1902
