## The Nature Of Sex Sex And The Human Animal:

**Humans, Animals, and U.S. Society in the Long Nineteenth Century: A Documentary History** Dominik Ohrem, 2025-11-18 Volume II continues the discussion of animals animality in U S social and scientific thought to address the ways in which the nexus of ideas surrounding human animal distinctions became intertwined with interhuman hierarchies and power relations including through the synergistic dynamics between race and species as co implicating taxonomies of power Claire Jean Kim that informed both chattel slavery and settler violence against Indigenous peoples A second section traces the evolution of animal advocacy from early individual voices to the formation of an organised movement following the Civil War documenting a shift however limited by structural constraints from largely anthropocentric concerns with the social consequences of human cruelty towards other creatures to a broader moral consideration for nonhuman animals in their own right

**In Your Face** Shari Graydon, 2014-09-23 A lively thought provoking look at the power and pitfalls of the beauty industry hype From fairy tales and Hollywood movies to magazine ads reality TV and the Internet we absorb the lesson early being beautiful is the answer to our dreams It s harder than ever for teens to tune out the endless media messages promoting unattainable ideals yet at no time in history have they had more tools to change the message With In Your Face Shari Graydon encourages readers to think critically about the culture of beauty both past and present Whether it s the different standards for guys versus girls racial and size biases the assumptions we have about models and celebrities or the message that the right clothes makeup or surgical procedure can make you a better person Graydon s unbiased look into the realities behind our ideals will help teens deconstruct the beauty industry hype Fully rewritten and redesigned from the 2004 edition In Your Face has been updated to reflect the heightened pressures of beauty in the digital era both good and bad to shape our self image The appealing magazine style format stylish illustrations and conversational tone will draw readers into this empowering exploration of the complex subject of beauty Praise for the first edition Graydon will make readers laugh as well as think about the issues Booklist starred review This fabulously educational and informative book should be required reading for all teens VOYA
