The New Connecticut Yankees

Will McLean Greeley

The New Connecticut Yankees:

The Yankee Road: Tracing the Journey of the New England Tribe That Created Modern America James D. McNiven, 2015-03-14 Who is a Yankee and where did the term come from Though shrouded in myth and routinely used as a substitute for American the achievements of the Yankees have influenced nearly every facet of our modern way of life Join author Jim McNiven as he explores the emergence and influence of Yankee culture while traversing an old transcontinental highway reaching from the Atlantic to the Pacific US 20 which he nicknames The Yankee Road The Yankee Road Tracing the Journey of the New England Tribe that Created Modern America combines fascinating history with a travel narrative taking the reader on a journey through the places Yankees and their descendants settled as they expanded westward Using a physical road to connect locations important to the Yankee cultural road McNiven takes us on twenty two side trips into individual stories introducing readers to the origins of such large scale and diverse ideas as conservation public education telegraphy mass production religion and labor reform See familiar places and stories in a Yankee light such as the fight for women's rights in Seneca Falls and Walden Pond that Thoreau made famous Learn about less familiar venues like Route 128's technology companies that led to the creation of the computer industry and incidentally the Internet and to the Worcester suburb of Shrewsbury where two old women changed the world by making possible the birth control pill McNiven's first tour goes as far west as the Pennsylvania New York border with more stories to come As we travel The Yankee Road we will meet some of the men and women who made these ideas happen Harry Truman once said I like roads I like to move This is a road book Come on along A Connecticut Yankee Goes to Washington Will McLean Greeley, 2024-06-28 Senator George P. McLean's crowning achievement was overseeing passage of one of the country's first and most important wildlife conservation laws the Migratory Bird Treaty Act of 1918 The MBTA which is still in effect today has saved billions of birds from senseless killing and likely prevented the extinction of entire bird species A Connecticut Yankee Goes to Washington George P. McLean Birdman of the Senate puts McLean's victory for birds in the context of his distinguished forty five year career marked by many acts of reform during a time of widespread corruption and political instability Author Will McLean Greeley traces McLean's rise from obscurity as a Connecticut farm boy to national prominence when he advised five US presidents and helped lead change and shape events as a US senator from 1911 to 1929 One reviewer writes And there's a bonus This book is also a love song to a distant relative We need more historians who truly care about the people they're writing about and Greeley does just that Hollywood Knights S. Aronstein, 2016-04-30 Hollywood Knights examines Hollywood Arthuriana as political nostalgia offered to American viewers during times of cultural crisis the red scare of the 1950s the breakdown of traditional authority in the 1960s and 1970s the turn to the right in the 1980s and the redemption of masculine and national authority in the 1990s Its analysis of these films explores their proposal of an ideal past an Americanized Camelot and a democratized chivalry as the solution to the problems of a troubled present a solution that will

ensure prosperity in the homeland and a globally beneficial American authority abroad Federal Energy Regulatory Commission Reports United States.
