Speaking In Church:

Speaking Church I. Ross Bartlett, 2019-01-03 Language is the gift by which we shape our understanding and tell our story But if we cannot see ourselves and our context in our language our lives can be confused and our witness weakened through a kind of cognitive dissonance created when the only vocabulary available to us fails to match our lived situation Urban and suburban congregations live this disconnect when the language and imagery often employed in hymns prayers imagery and liturgies reflect a rural ideal far from the experience of believers The irony is revealed when we recognize that the Bible is a book deeply and profoundly urban in nature Christianity's earliest history gives both authorization and resources for helping urban and suburban congregations find their unique voice **Speaking in Church Made Simple** C. Mitchell Carnell, 1985 **Speaking in Church** Burnham Hodgson, 2004 A guide to a somewhat neglected subject Speaking in Church is for all who are involved whether continually or occasionally in leading public worship It sets out to show the need for meaningful and professional delivery to make services as alive as possible for all members of the congregation
