Speaking Through My Skin:

We Speak Through the Mountain Premee Mohamed, 2024-06-18 The enlivening follow up to the award winning sensation *The Annual Migration of Clouds* Traveling alone through the climate crisis ravaged wilds of Alberta's Rocky Mountains 19 year old Reid Graham battles the elements and her lifelong chronic illness to reach the utopia of Howse University But life in one of the storied domes the last remnants of pre collapse society isn't what she expected Reid tries to excel in her classes and make connections with other students but still grapples with guilt over what happened just before she left her community And as she learns more about life at Howse she begins to realize she can't stand idly by as the people of the dome purposely withhold needed resources from the rest of humanity When the worst of news comes from back home Reid must make a choice between herself her family and the broken new world In this powerful follow up to her award winning novella *The Annual Migration of Clouds* Premee Mohamed is at the top of her game as she explores the conflicts and complexities of this post apocalyptic society and asks whether humanity is doomed to forever recreate its worst mistakes **Taken to**
