Royce, 2011 Wendy Warner is a bit of an oddball Raised in an orphanage she has found solace and friendship by watching the television show Space Adventures and participating in fan clubs related to the show Every month on the second and third Friday Wendy comes to work dressed in a costume from the show that she wears to charity events This has earned her the disdain of many of her coworkers but not from her boss the president of the company Draco Powers who rather likes the way the uniform hugs all her curves in the just the right places Draco Powers is a real life Superhero who told the world that yes Superheroes do exist but no we won t work for free or without health insurance Some people refer to him with derision as the Capitalist Superman Draco is being hunted by an organization called the Organization whose motives are unclear and yet still cause death and destruction wherever they go The Organization has decided that Draco s biggest weakness is the way he cares about his employees and has picked Wendy out as their next target To save her Draco will have to come to terms with his real feelings for Wendy and why it is that he has so long resisted complicated relationships But he s running out of time

**Erection** David Thomas, 2018-08-30 For decades news outlets have described sexual misconduct by prominent men ranging from indecent exposure and molestation to spousal abuse rape and murder And while social movements have empowered women to add their stories to these headlines so much inappropriate sexual behavior happens below the radar and is treated as natural normal or is excused because boys will be boys or worse she asked for it In Erection author David Thomas narrates his young repressed childhood and the pattern of thinking with his crotch that haunted his life After growing up trying to sexually escalate every interaction with a woman David finds himself the teenage husband in a shotgun marriage that would last twelve years and produce two daughters he adores and abandons Then divorcing his first wife for a trophy wife and a decade of sexual pleasure David s life would spiral into addiction and pain that wounded everyone the marriages touched It would be only after his second divorce crippled his son when David would discover the right role for passionate sex in an intimate relationship Erection is a story of the human damage ordinary men create when they follow their hormones and their culture s permission to pursue aggressive sexual activity unreflectively and to avoid at all costs

reflecting on and communicating about their sexuality Blueink a mature reflective delight to read Thomas writes in spare organic prose The title of this book has shock value but it s inaccurate Erection A Memoir isn t about a body part Rather it s the story of a whole man who was very much a product of his time With self criticism and compassion offered in equal measures the narrative provides a thoughtful and compelling reading journey Kirkus A frank exploration of men s sexuality Thomas writes clearly and precisely More nuanced and broader in scope than its provocative title suggests The title moves beyond the obvious phallic reference to include a construction metaphor that is the building of a satisfying career personal life and physical home The book addresses a wide array of topics including the pressures and temptations of academia the exhilaration and trappings of social mobility and the tragedy of substance abuse The thoughtful introduction and epilogue situates his story amid current debates about appropriate male behavior via the Me Too Movement and a whole myriad of contentious cultural issues surrounding sex Foreword a thorough humane approach to human sexuality seen through one man s experiences encourages men to talk about their sexuality take responsibility for their choices and quit making decisions based on sex and self Refreshingly Erection focuses on how men can empower and dignify their sexual needs without preying on women many smart succinct insights about how young people develop their sexual beliefs complex and moving Chapters are tight and well structured The personal story unspools effortlessly and Thomas voice is clear and strong
