**Christopher Okigbo** Curwen Best, 2009 This book is the first comparative work of its kind to provide an extended analysis of the contribution of Kamau Brathwaite and Christopher Okigbo. It considers the poetic works of these two artists as they responded to the transformations taking place within Africa and the Caribbean during the Independence period. Some of the issues discussed include politics and art, religion, spirituality, traditional culture versus popular culture, language and identity, literature and orality, cyber culture and identity. This book highlights some of the similarities and differences in the life and work of these two poets and examines various aspects of their style. It provides a clearer understanding of the stances these artists took on crucial issues that would shape the face of their respective societies way beyond the Independence period.

Oyekan Owomoyela begins with an overview of the authors' texts and historical events that have shaped the development of postwar Anglophone literatures in this region, exploring shifts in theme and the role of foreign sponsorship and illuminating recent debates regarding language, identity, gender and social commitments of various authors and their works. His introduction concludes with a bibliography of key critical texts. The second half of the volume is an alphabetical tour of writers' publications, concepts, genres, movements and institutions, with suggested readings for further research. Entries focus primarily on fiction but also touch on drama and poetry. Featured authors include Chris Abani, Chinua Achebe, Chimamanda Ngozi Adichie, Cyprian Ekwensi, Uzodinma Chukuka Iweala, Helen Oyeyemi and Wole Soyinka. Topics range from the European origins of African literature and the West African diaspora to the development of an African personality, the establishment of a regional publishing industry and the global literary marketplace. Owomoyela also discusses such influences as the postwar emergence of Onitsha Market Literature, the Mbari Club and the importance of the
