## Larchitecture De Edward Ws Maxwell:

**The Architecture of Edwin Maxwell Fry and Jane Drew** Iain Jackson, Jessica Holland, 2016-03-16 Maxwell Fry and Jane Drew were pioneers of Modern Architecture in Britain and its former colonies from the late 1920s through to the early 1970s. As a barometer of twentieth century architecture their work traces the major cultural developments of that century from the development of modernism its spread into the late colonial arena and finally to its re evaluation that resulted in a more expressive formalist approach in the post war era. This book thoroughly examines Fry and Drew's highly influential Tropical Architecture in West Africa and India whilst also discussing their British work such as their post World War II projects for the Festival of Britain Harlow New Town, Pilkington Brothers Headquarters and Coychurch Crematorium. It highlights the collaborative nature of Fry and Drew's work including schemes undertaken with Elizabeth Denby, Walter Gropius, Denys Lasdun, Pierre Jeanneret and Le Corbusier. Positioning their architecture, writing and educational endeavours within a wider context this book illustrates the significant artistic and cultural contributions made by Fry and Drew throughout their lengthy careers.

**Canadian Books in Print**, 2003    *Canadian Reference Sources* Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document and province or territory. Titles of national, provincial, territorial or regional interest are included in every subject area when available. The contents of the book are indexed four ways by name, title, French subject and English subject. And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements and indexing of works, the availability of non print formats, previous editions and title changes and related works. *Canadian Reference Sources* will be an invaluable reference tool for future scholars and researchers.
