## Speed Mushing Manual:

**The Speed Mushing Manual** James P. Welch, Jim Welch, 1989     *Skijor with Your Dog* Mari Høe-Raitto, Carol Kaynor, 2012-07-15 Skijoring or being pulled on skis by a dog in harness is a great sport in which almost everyone and almost any breed of dog can participate. It requires little beyond a pair of skis and a dog with a desire to pull. The second edition of this popular and practical guide to the sport covers what equipment is needed, how to teach a dog to pull and how to work with your dog year round. Although it is geared toward beginners, *Skijor with Your Dog* offers plenty of useful information for experienced skijorers as well, including racing tips, how to involve children, how to camp and travel with dogs, and how to train for competition. The book also covers canicross, bikejoring and other ways to work with dogs when there's no snow. With this book in hand, readers will have all the information they need to begin enjoying the outdoors with their dogs in a whole new way.

**The Original Dog Bible** Kristin Mehus-Roe, 2011-10-04 The *wooftastic* second edition. This attractive, copiously illustrated, easy-to-understand volume covers every aspect of responsible dog ownership. Library Journal The revised and expanded second edition of the bestselling *The Original Dog Bible* remains the most comprehensive dog lover's resource on the market. The book is divided into eight parts, each fully illustrated and designed for easy reference, plus helpful, entertaining sidebars covering hundreds of related topics. With detailed chapters on the requirements of caring for a dog, health, training and so much more, this book will prepare you for a wonderful life with a dog. Also included is a catalog of over 250 purebred dog breeds, with insightful articles for each. Being a veteran veterinarian of twenty-five years and a lifetime pet lover, I can enthusiastically say this old doc learned new tricks upon reading the consummate book on all things dogs. I highly recommend it. Dr. Marty Becker, former resident veterinarian on ABC's *Good Morning America* and coauthor of *Chicken Soup for the Dog Lover's Soul*. This comprehensive book certainly lives up to its subtitle. The best part of the book, however, covers life with a dog, with sections on pet care, partners like sitters and walkers, emergencies, lost dogs, biting, traveling with a dog, and a fantastic chapter on activities one can do with one's dog. Publishers Weekly     **Dog Man** Martin Buser, 2015-04-17

What does it take to become an Iditarod champion? Join mushing legend Martin Buser as he reveals his life's journey in candid and action-packed detail. Buser's story of self-discovery takes the reader with him on the adventures, misadventures, and lessons learned from his devoted relationship with canine friends. This riveting narrative shows what it means to be a real dog man, but it also serves as a stirring tribute to the spirit of the Alaskan Husky.

**The Siberian Husky** Michael Jennings, 2008-04-21 The mischievous face of the Siberian Husky is a familiar sight wherever dog lovers gather, and you don't even need snow or a sled to appreciate the breed's many fine qualities. The spirit of this able athlete and able friend can be recognized throughout this bright new book. Like the other titles in Howell's Best of Breed Library, this book features chapters on all aspects of caring for and competing with a dog. Written for experienced breeders and novices alike, the book is practical yet complete and includes over 100 full-color photos.
