**Spelling Bee** Carole Boston Weatherford,2023-04-11 A Coretta Scott King Author Honor Book This moving picture book portrays a girl who met injustice with dignity and excelled Booklist starred review MacNolia Cox was no ordinary kid Her idea of fun was reading the dictionary In 1936 eighth grader MacNolia Cox became the first African American to win the Akron Ohio spelling bee And with that win she was asked to compete at the prestigious National Spelling Bee in Washington DC where she and a girl from New Jersey were the first African Americans invited since its founding She left her home state a celebrity right up there with Ohio s own Joe Louis and Jesse Owens with a military band and a crowd of thousands to see her off at the station But celebration turned to chill when the train crossed the state line into Maryland where segregation was the law of the land Prejudice and discrimination ruled on the train in the hotel and sadly at the spelling bee itself With a brief epilogue recounting MacNolia s further history How Do You Spell Unfair is the story of her groundbreaking achievement magnificently told by award winning creators and frequent picture book collaborators Carole Boston Weatherford and Frank Morrison     *The Stupendously Spectacular Spelling Bee* Deborah Abela,2016-08-01 India Wimple can spell Brilliantly Every Friday night she and her family watch the Stupendously Spectacular Spelling Bee When the Wimples suggest she enter the next Bee India says she s not good enough but her family won t hear it and encourage her to sign up There are plenty of obstacles to reaching the finals something in India s past has made her terribly shy and moving on to each round involves finding the money to make it happen And finally there s Summer Millicent Ernestine Beauregard Champion a spoilt rich girl who is determined to win and isn t afraid to step on anyone who gets in her way     **The Spelling Bee (The Kids in Ms. Colman's Class #11)** Ann M. encouragement of her town her family and some newfound friends she overcame her fears made it all the way to the grand final at the Sydney Opera House and won Now that life is returning to normal a special delivery arrives in Yungabilla inviting India to the UK for the Stupendously Spectacular International Spelling Bee But how can India go without her whole family by her side The Yungabilla community might have a solution In London India is reunited with her friend Rajish and a much more pleasant Summer They meet new spellers and are invited to Buckingham Palace to meet the Queen But there is skulduggery afoot with some rather mysterious goings on and a series of accidents that seem to be not so accidental after all They get so dangerous in fact that there is talk of cancelling the competition altogether India and her friends are determined to find out who the culprit is and get the competition back on track There are words to be spelled nerves to be overcome and a champion to be found
