*The Rhythm of the Christian Life* Brian J. Wright, 2019-08-13 Discover Life as God Intended Hurried and exhausted we are looking for a better way to manage all the demands in our lives We think that if we could simply learn to balance everything we would be happier But our problem isn't balance What we actually need is to rediscover the rhythm God has created a pulse for our lives and for centuries Christians lived into that intentional rhythm one that has been all but lost today In this book Wright invites us to find true joy and wholeness as we embrace the two core realities that every person experiences in life moments alone times of solitude when we are with God alone moments together times of intentional fellowship with others In our efforts to maximize our time we often set unrealistic expectations for our quiet time and our social relationships The result is a failure to hear the ancient rhythm that shows how these dimensions of our lives should complement each other Embracing the rhythm of the Christian life and living it wholeheartedly is the task of all believers not just some of us As Christians our whole life consists of loving God and loving others just like Jesus did Explore *The Rhythm of Christian Life* and recapture the joy of life as God always intended

horse that is drawing the cart If the cart is taken so much care of and none is given to the horse the horse may get sick and die and the cart will no longer be drawn and the journey will stall The leader must take care of his body to keep it fit for service The apostle Paul says For physical training is of some value 1 Timothy 4 8a He must take care of his soul spirit and heart to keep them in Christ Philippians 4 7 The author tacitly brings into the equation how to lead a local church When the Good Samaritan offered first aid to the man who was attacked and severely wounded by armed robbers on the highway from Jerusalem to Jericho he did not leave him there He took him to an inn where they took proper care of him over a long period of time The local church is the best place where to keep your people safe as you lead them toward destiny It is the surest and most secure place on planet Earth where to retain the people as you lead them into God s purposes Why Rage as they may the gates of hell cannot and can never overcome the church Matthew 16 18 We send this fourth volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people capable of leading them into the totality of His purposes in this generation and beyond
