**You Could Be the Winner (Volume - II)** Ahmed Sayeed,2019-09-24 Truth is ever to be found in simplicity and not in multiplicity and confusion of things I have just three things to teach or say to the contemporary Humans that simplicity Patience and compassion are the three building blocks of humanity Simplicity and humanity are the ultimate sophistications of human civilization They are the essence of happiness since great acts are made up of small deeds All I have is a sense of duty toward all people and attachment to those with whom I have become intimate Thus the next evolutionary step for me that mankind is to be more from man to kind Earth provides enough to satisfy every man s need not everyman s greed Hence I have taken up writing books to mould other beings to be humans not as savage since we Hominids were savage in early stage and now it is high

time to turn out ourselves into humans Simplicity which is the essence of happiness is great act of humans for doing small deeds Right from retirement as an Audit Officer from the Office of the Principal Accountant General Audit Andhra Pradesh Hyderabad on 01 07 2003 I studied LL B at the evening age of 60 to 69 years while writing certain controversial books like i Human Life A Philosophical Audit ii We Think Therefore We Are iii My Mind is My Mosque iv Tears of Terrorism v After all Whose Life is It any Way a book on Euthanasia vi Know your India Open a new Page for writing Nationalism for India s Nationalism vii Paradise Lost a real life story of a Jihadists killing his own mother in Syria for the sake of Blessing of Paradise by the Allah viii Spicy Trade How India was subjected to Invasion by Arabs Europeans and finally tampered One India into Three viz Pakistan India and Bangladesh ix Father Turns Monster real story relating to a father to save his child by killing innocent peoples and plucked their organs like Lungs and Heart and used for Transplantation and replacement of his sons Lungs and Heart x Tridevi Trident story relating to three sisters killing their father who became Psycho in raping the children including themselves and this is also a real story I normally portray in a books only facts not fiction poetry and no fairy tails My aim is let the decide what is fact and what fiction and develop his personality accordingly since what ever that feels perceives desires expressions and emotions are all the offshoots of the Brain The meaning of life is to take birth to grow to feed to develop energy procreate children and finally to die and merge into the womb of Earth as a piece of nuclei That is it Hence I did not show craze for the monetary returns but only to show the people how the realm of our Society is inflamed with monetary gains This my story in short
