, 1998      *The British National Bibliography* Arthur James Wells, 1996      *Giving Up Without Giving Up* Jim Green, 2019-03-07 What if the suffering that we call depression contains experiences and lessons without which we cannot be fully alive This is one of the many startling questions that *Giving Up Without Giving Up* invites us to ask ourselves Depression seems to be a contemporary epidemic a condition understandably feared and avoided by all Yet this book explores the possibility that we have much to learn from the desert times in our lives when it feels as though we are losing everything most of all any sense of who we are Drawing on his extensive experience of meditation within both the Buddhist and Christian contemplative traditions as well as his own times of personal loss and bewilderment Jim Green offers us a moving account of just how this wisdom practice can accompany each of us as we make the gentle pilgrimage of recovery He guides us through the invention of depression in the mid twentieth century questioning the increasing tendency to medicalize human suffering Based on the insight that Life is the Treatment he offers a thorough and practical approach to our times of personal desolation showing how we can learn to treat ourselves and each other with care and compassion At the heart of this approach is the practice of meditation learned from the Buddha The Desert Fathers and Mothers and from Jesus himself It is a practice which this heartfelt book insists can help you to be depressed which might mean in mourning for exactly as long as you need to be no longer and no shorter Then changed you are brought back to life which is change itself      *Midsummer night's dream.
