Storytelling Martin

Goldsmith,2014-09-19 Biblical Stories are powerful stories and are easy to tell In a world that is often hostile to the good news telling stories is an ideal way to communicate the gospel warmly and winningly How can we like Jesus use the power of stories to get gospel truths across in a memorable and life changing way Learning to share the gospel with the winning and persuasive power of stories Martin Goldsmith discovered early in his career as a missionary that stories were the most effective way of sharing the gospel especially in places where evangelism was illegal But since then he s discovered that they are also often the best way of sharing it with our neighbours in the West who are suspicious of religious truth and hate being preached at Full of colourful stories from a lifetime of sharing the gospel this book shows us how to do the same The author demonstrates how the Bible teaches its theology through story and how other faiths are shaped by their storytelling giving us a deeper understanding of how we can reach others and teach real and significant truths in an enthralling way If we want to win hearers for the gospel in today s world it is vital to become compelling and persuasive tellers of the gospel story once again Discover the power of storytelling in sharing the gospel Learn how biblical narratives can effectively communicate profound truths in a relatable manner
