Susan Gabrielle, 2012-07-30 ABOUT THE BOOK Storytelling has been around as long as humankind although the ability to be a storyteller or history keeper is a special gift not everyone possesses Generations of our ancestors told oral tales of encounters with nature with wild animals or with the land itself real or imagined Clans gathered around to hear of dreams or of explanations of certain unexplainable phenomena such as thunder and lightning These stories were often illustrated by scratching them or painting them onto cave walls or on rocks and especially those tales of great battles against warring tribes Some of the stories only existed as verbal histories passed from grandfathers to sons to grandsons MEET THE AUTHOR Susan Gabrielle has had work published in The Christian Science Monitor TheBatShat New Verse News and local publications and was a finalist in the Tiny Lights Narrative Essay Contest Her short story What she should have said was published in the Social Justice issue of the Little Patuxent Review and she has been nominated for a Pushcart Prize for her poem After 10 years of War She currently teaches writing and literature classes as a university instructor and is at work on a nonfiction writers guide You can reach her at Susan Gabrielle com EXCERPT FROM THE BOOK But while storytelling itself is an ancient art form the genre of children s literature is relatively new and children s book publishing only came to prominence beginning in Great Britain in the 18th century As Allen notes From the time John Newbery publisher and bookseller decided to create books just for children in 18th century England until the end of the 19th century when English industry produced children s books of the highest quality the body of children s literature that became available from England earned a growing respect throughout the literary world Before that time children were treated as miniature adults useful only insofar as their ability to bring income to the home Most children up to the 1800s worked on the family farm so there was little free time for play and since many children did not attend school they could not read The family may have owned a Bible but it most likely would have been read to them by the father perhaps after dinner CHAPTER OUTLINE 100 Best Quotes from Children s Books Introduction The Beginnings of Children s Literature For adults for Children or Both A Move Toward Realism and much more 100 Best Quotes from Children s Books **Boekblad**, 1997 *Tarantula Shoes* Tom Birdseye, 1996-05-01 When Ryan moved from Arizona to Kentucky not only was he the newest kid in class but the shortest

**Teaching Economic Concepts with Picture Books and Junior Novels** Nancy J. Polette,2013-08-29 Using quality literature to introduce younger students to economic terms and concepts is an engaging and effective teaching method This book demonstrates how At what age can children benefit from learning about economics The consensus among educators today is the earlier the better K 8 teachers and librarians will find this book invaluable for introducing basic economic concepts to students and giving them a solid foundation of understanding that can be built upon as they advance in grade level Author Nancy Polette prolific author and expert on using picture books for education explains how to use 20 picture books to present basic ideas such as credit wants and needs and supply and demand and to build understanding of more complex concepts with 20 junior novels The titles and suggested activities enable students to enjoy the literary experience and benefit from economic lessons that sink in because they are presented through stories involving characters with whom children can relate

Tarantula Shoes Tom Birdseye,2014-07-15 Desperate to have the right shoes to start his first day of middle school Ryan has set his sights on the 125 Slam Dunk Sky Jumpers but can he put together the money in time Ryan O Keefe can t believe his bad luck Moving to a new state right before sixth grade is hard enough but when he finds out that sixth grade is part of middle school in Kentucky he realizes he may have to spend the year getting picked on by the older students When he meets a couple of seventh graders wearing Slam Dunk Sky Jumpers the coolest new shoes Ryan knows he has to have a pair and then maybe he ll be cool too There s just one problem The shoes are 125 plus tax Ryan s parents give him forty dollars so now all he has to do is come up with eighty five more and the shoes are his The only question is how is he going to get eighty five dollars in the remaining week before school starts
