that reimagines masculinity for the twenty first century male Award winning poet actor and writer Carlos Andr s G mez is a supremely gifted storyteller with a captivating voice whose power resonates equally on the live stage and on the page In one of his most moving spoken word poems G mez recounts a confrontation he once had after accidentally bumping into another man at a club Just as they were about to fight G mez experienced an unexplainable surge of emotion that made his eyes well up with tears Everyone at the scene jumped back as if crying or showing vulnerability was the most insane thing that G mez could possibly have done Like many men in our society G mez grew up believing that he had to be ready to fight at all times treat women as objects and close off his emotional self It wasn t until he discovered acting that he began to see the true cost of squelching one s emotions and how aggression dominates everything that young males are taught Statistics on graduation rates employment and teen and young adult suicide make it clear that the young males in our society are at a crisis point but G mez seeks to reverse these ominous trends by sharing the lessons that he has learned Like Hill Harper s Letters to a Young Brother Man Up will be an agent for positive change galvanizing men but also mothers girlfriends wives and sisters to rethink and reimagine the way all men interact with women deal with violence handle fear and express emotion **The**
