Macky,1998 St Paul s Cosmic War Myth shows how Paul used military symbolism as a way to present an almost complete version of his gospel parallel to his legal and personal versions which use quite different types of symbols By drawing together all Paul s military symbols the book enables readers to see beneath the surface to the relatively complete cosmic war myth that he probably entertained in his imagination The book elaborates J C Beker s emphasis on Paul as an apocalypticist and then suggests what value this military apocalyptic symbolism has for modern readers **The Metaphysical Reality of the Age** Raymond B.
