Talking Of Shakespeare:

Talking of Shakespeare John Garrett (Editor), 1971 **Talking of Shakespeare** John Garrett, 1954 Talking of Shakespeare John Garrett, 1954 Twelve of the lectures given at the annual programme organised by the British Council during Festival season at the Memorial Theatre in Stratford upon Avon from 1948 and 1953 **Talking of Shakespeare; Ed. by J. Garrett** William Shakespeare, 1953 *Speech and Performance in Shakespeare's Sonnets and Plays* David Schalkwyk, 2002-10-17 David Schalkwyk offers a sustained reading of Shakespeare's sonnets in relation to his plays. He argues that the language of the sonnets is primarily performative rather than descriptive and bases this distinction on the philosophy of Ludwig Wittgenstein and J L Austin. In a wide ranging analysis of both the 1609 Quarto of Shakespeare's sonnets and the Petrarchan discourses in a selection of plays Schalkwyk addresses such issues as embodiment and silencing, interiority and theatricality, inequalities of power, status, gender and desire both in the published poems and on the stage and in the context of the early modern period. In a provocative discussion of the question of proper names and naming events in the sonnets and plays the book seeks to reopen the question of the autobiographical nature of Shakespeare's sonnets.

More Talking of Shakespeare John Garrett, 1959 [Speak the Speech!](#) Rhona Silverbush, Sami Plotkin, 2002-09-18 A detailed guide to approaching Shakespearean text Speak the speech contains everything an actor needs to select and prepare a Shakespeare monologue for classwork auditions or performance Included herein are over 150 monologues Each one is placed in context with a brief introduction is carefully punctuated in the manner that best illustrates its meaning and is painstakingly and thoroughly annotated Each is also accompanied by commentary that will spark the actor's imagination by exploring how the interrelationship of meter and the choice of words and sounds yields clues to character and performance And throughout the book sidebars relate historical topical technical and other useful and entertaining information relevant to the text In addition the authors include an overview of poetic and rhetorical elements brief synopses of all the plays and a comprehensive index along with other guidelines that will help readers locate the perfect monologue for their needs

Talking Shakespeare Louis Fantasia, 2017 Talking Shakespeare is a collection of essays on Shakespeare's plays and politics and their impact in the world today. Originally given as provocative talks on Shakespeare at some of the most prestigious universities, conferences and theatres around the world, they reflect on the author's more than thirty year career as a producer, director and educator. The essays provide a unique and personal look into multiple aspects of Shakespeare's world and ours. **Trilogy, conversations on the emendations of Shakespeare's text contained in Mr. Collier's**

corrected folio, 1632 [signed J.P.C.]. John Payne Collier, 1874 *Talking Back to Shakespeare* Martha Tuck Rozett, 1994
This book is about the way in which Shakespeare's plays have inspired readers to talk back and about some of the forms such talking back can assume. It is also about the way different interpretive communities including students read their cultural, political and moral assumptions into Shakespeare's plays appropriating and transforming elements of plot, character and

verbal text while challenging what they see as the ideological premises of the plays Texts that talk back to Shakespeare pose questions offer alternatives take liberties and fill in gaps Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as for instance that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer Others invent prior or subsequent lives for Shakespeare's characters women characters in particular so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do Very few of these works have received much critical attention and some are virtually unknown or forgotten Rather than a comprehensive study of Shakespeare transformations Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare's most frequently taught and performed plays Such re-visions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing often irreverent scrutiny Much of the talking back comes from marginalized readers women like Lillie Wyman author of *Gertrude of Denmark An Interpretive Romance* and other nineteenth century women critics or Jewish writers like Arnold Wesker whose play *The Merchant* transforms the relationship between Antonio and Shylock Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz Aime Cesaire Eugene Ionesco and Joseph Papp Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize winning novel *A Thousand Acres* by Jane Smiley to obscure seldom read ones like Percy MacKaye's ambitious four play prequel *The Mystery of Hamlet King of Denmark* What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare's plays are essentially unstable culturally determined constructs capable of acquiring new meanings and new forms By bringing together these two kinds of talking back Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies
