**Visitations to Heaven and Talking with Angels** Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations? Prior to standing on a cloud and viewing all of Heaven's beauty and glory my answer would have been an emphatic no. However I found myself standing on a fluffy impenetrable white cloud witnessing the beautiful holy city called Heaven and then I saw Him. His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon. There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords. There are nine classifications of Angels all having different assignments. Some have four faces one resembling that of a man and the other three faces are the likenesses of animals. Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings. There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has prepared a residence for all those who love Him. Many personal visitations of Angels and that of Heaven are included in this writing. In fact it was

an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural      Concerning Heaven & Its Wonders & Concerning Hell Emanuel Swedenborg,1872      *The Swedenborg Concordance* John Faulkner Potts,1898      *Questions and Answers on Conversations with God* Neale Walsch,2000-01-01 Millions of readers have come to value the Conversations with God series by Neale Donald Walsch which has now been translated into twenty six languages Many thousands of those readers have had questions for him questions about religion good and evil physical and mental health death prophecy the nature of God and the universe prayer angels and devils spiritual paths relationships and much more In Questions and Answers on Conversations with God Neale with characteristic wit and wisdom responds to the most compelling and provocative of these letters and the result is a book that is profoundly enlightening and inspiring By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals Neale s answers illustrate the direct link between spiritual and physical reality clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe This book gives us all the opportunity to look at ourselves to change ourselves and thus perhaps to change the world      **The Adventures of the Three Amigos Club and Grandma's Mystical Bible** Denny Carnell,2022-01-13 The book is about three young people who are friends and have established a club called the Three Amigos These young people are neighbors who have an intimate relationship with each other as their parents are good friends who also grew up together Terry is the main character Terry s grandmother now lives with them since his grandfather passed away Terry s grandmother is on vacation at one of his aunt s house One day as Terry passes his grandmother s room he notices a light shining under his grandmother s bed He gets his friends who were downstairs playing video games to come upstairs with him to investigate the light in his grandmother s room As they nudge each other to go in her room they finally went in the forbidden room because his grandmother did not give them permission They discovered that it was his grandmother s bible which gave off the light Being afraid that his mother would come and discover that they were in his grandmother s room Terry pulled the blanket off of the bed over them pulled the bible out from under the bed as it was shaking and opened the bible They were then sucked into the bible and off to a bible adventure They experience a bible adventure every time they open the bible      **Talking with Angels** Francesca Marks,2017-12-17 The fascinating account of talking with angels by Francesca Marks      **Nave's Topical Bible** Orville James Nave,1897      Angelspeake Barbara Mark,Trudy Griswold,2014-09-16 Your angels want to speak to you It s important to them that you know who they are and that you receive their loving messages of guidance and support It s easy to communicate with them Now in this simple practical guide Barbara Mark and Trudy Griswold show you that the act of writing to your angels and receiving answers means that you can take the initiative and ask for help for understanding for love In Angelspeake you will learn how rewarding and helpful it is to meet your angels Barbara and Trudy give you clear step by step instructions on how to bring angelic teachings into your life using the Four Fundamentals for initiating spiritual
