Talking To Ghosts:

Interdimensional Communication Heather Anne Harder, 1997-01-01 *Co-habiting with Ghosts* Caron

Lipman, 2016-05-23 How does it feel to live in a haunted home How do people negotiate their everyday lives with the experience of uncanny anomalous or strange events within the domestic interior What do such experiences reveal of the intersection between the material immaterial and temporal within the home How do people interpret share and narrate experiences which are uncertain and unpredictable What does this reveal about contested beliefs and different forms of knowledge And about how people co habit with ghosts a distinctive self other relationship within such close quarters This book sets out to explore these questions It applies a non reductive middle ground approach which steers beyond an uncritical exploration of supernatural experiences without explaining them away by recourse only to wider social and cultural contexts The book attends to the ways in which households in England and Wales understand their experience of haunting in relation to ideas of subjectivity gender materiality memory knowledge and belief It explores home as a place both dynamic and differentiated illuminating the complexity of everyday experience the familiarity of the strange as well as the strangeness of the familiar and the ways in which home continues to be configured as a distinctive space *Dirty Talking with the Ghost*

Lilith Leana, 2025-09-27 Amber has lived with a seductive Ghost in her bedroom for almost a year His voice promises all kinds of sensual things teasing her with fantasies that can never happen He s been the one constant in her life guiding her through her long lonely nights On All Hallows Eve during the Witching Hour the veil between the living and the dead thins and he can cross over to make all of those whispered desires come to life Liam has only 45 minutes before the Witching Hour passes and is determined to make every second in the land of the living count He has waited an entire year for this night and he wants to act out all her fantasies Excerpt You can see me Liam asked as he waved a hand before my eyes I was too tired to slap it away but I wasn t even sure if I could He was a Ghost A Ghost I knew and cared for but I couldn t understand how he was suddenly here Yes but how I asked I don t know Liam said as he moved closer to the bed Can I touch you Yes I said as I sat up on shaky arms His hand cupped my cheek and we both gasped as I could feel his cold fingers touch my overheated skin He was chilly but somehow solid I lifted my hand up to his pushing it closer to my cheek and reveling in the feel of him It is your holiday I said with a smile Liam looked at my alarm clock It s the witching hour That s why This is the time of year when the veil between the living and the dead is the thinnest and I am going to enjoy every second baby girl All those things I ve promised you are going to come true in the next forty five minutes he said before kissing me I moaned into the kiss loving the feel of his solid lips on mine I d dreamed of this moment for so long but I didn t even know what to do when it became real His hand moved to my neck grabbing it as he described doing so many times before His cold fingers branded my overheated skin and I moaned in response I m going to take you so hard you ll feel me until next year Liam murmured against my lips Yes please take me use me I m all yours I said making him groan Reader advisory This story contains explicit sex scenes
