The Dawn of the Day ,1893    Future Cost of Today's Religion Lawrence Allen,2006-08 The Christian Reconstructionists formed an alliance with the Bush regime to convert the U S to Biblical rule The Bush Christian alliance s vision is to prepare the world for Armageddon No war terror or torture is to extreme to impede progress of their vision The alliance plans are secret The destruction of the environment the elimination of professional and union jobs the elimination of public education the disrespect for the fine arts and intellectual activities the return of sexual discrimination and limitation of women s rights the focusing of hatred on gays and immigrants the diversion of attention by use of terrorist alert levels and the labeling of all free thinking as liberal and dangerous are all part of the Bush regime and characteristic of past fascist regimes The Bush administration uses the large numbers of Christian in the U S as a mandate for the church state alliance The mutual benefits for church and state makes fascism tough to break If you enjoyed the alliance s conservative agenda will you enjoy forced participation execution by public stoning for sins How do we fight back and end oppression peacefully What is the role of Universities Can we organize to give future generations a free democracy    **Talking with God** Frank Spencer Mead,1976
