*The Wings of Love Volume 2* Kwabena Osei, 2016-10-14 The world will be safer and a paradise if mankind learns to live with its innocence Unconditional love is the cover cloth of the innocence Instead of mankind to swim in the romantic lake of unconditional love for the discovery of the hidden paradise bewitching marriage and relationships lack of awareness mankind is swimming in the dirty gutters of false love creating its own worst nightmares Engaging in marriages love and sex relationships with the ego's mindless love tantamount to creating a timing bomb for your destruction False love nourishes us with the bread of sorrows Prior to selfishness mankind has embraced the ego's mindless love as the simple way of life Individual's nuts have transformed love and sex meant to be a divine gift into a merchandise commodity Since love and sex became a merchandise commodity to be purchased and being manipulated by wealth unconditional love has been buried under the great oceans surrounding the mother earth False love is the major contributor to the atrocities caused in the name of love This lovely book *The Wings of Love Vol 2* is of much significant to the human races It highlights and guides mankind for the acknowledgement of the Supreme power of Love the origin of Life Force Alike to enables mankind to distinguish between false love and natural love to avoid deceptions and atrocities caused in the name of love consistently Prevention is better than cure Natural Love creates no misery The living hell in which mankind is condemned by the mercy of false love can be transformed into the living heaven through the power of unconditional love Love unconditionally and you will always find pleasure in love The power of Love conquers all
