**The Spikatur Cycle** Alan Burt Akers, 2011-03-01 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light The Spikatur Cycle brings Prescott closer to the realization of many of his dreams He is determined to do what he feels is laid upon him but he finds it is not so easy particularly when the Empress Delia and his comrades are determined to keep him out of trouble But he is Dray Prescott Lord of Strombor and Krozair of Zy and that canny old leem hunter will not be prevented from buckling up the brave old scarlet breechclout and hurtling off beneath the Moons of Kregen into fresh headlong adventure with a sword in his fist The marvelous adventures of Dray Prescott on Kregen the world of wonders that orbits the twin suns of Antares in Scorpio have become a science fiction saga to rival and perhaps surpass the works of Edgar Rice Burroughs and others of the heroic fantasy band Beasts of Antares Dray Prescott lone Earthman once a pawn of cosmic powers rallies the warriors of Vallia for a final stand against the foes that encircle them Then in an act of true Prescott bravado undertakes single handed to rescue three old friends from slavery in a distant land The beasts of Antares are many and terrifying but Prescott does not belong to the faint hearted and he will need every ounce of courage this time Rebel of Antares At last Prescott has come in sight of his goal to overthrow the slavers and their evil empires that he shares with the Star Lords On the island kingdom of Hyrklana his course now seems clear overthrow its decadent queen lead a rebellion against the cruel Arena and free the princess who is its rightful ruler It is a hard task but for Dray Prescott against whom sorcerers and swordsmen have contended it is the only course he could follow Legions of Antares For too long the iron legions of the evil empress of Hamal have devastated the neighboring lands and islands of Kregen Dray Prescott has battled Empress Thyliss all the way and at long last finds himself nearing the end of his long campaign Gathering about himself old allies and former enemies Dray prepares to challenge the empress at the very doors of her capital city until he discovers that she is about to spring her secret weapon the super science of the mad wizard of Loh Allies of Antares Dray Prescott has made himself into a rallying point of strength on Kregen Now after the worst war between the humanoid lands has finally concluded Prescott again confronts the Star Lords only to learn that the hard won peace is just a transition to a great hemispheric invasion that was even then raiding over the horizon This book contains a glossary of the Spikatur cycle      *The Jikaida Cycle* Alan Burt Akers, 2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on

him to lead them to freedom as their emperor Reluctant to accept the imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott's ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott's stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom's door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle
