and the multiple resonances of the deck are ubiquitous From T S Eliot and his wicked pack of cards in The Waste Land to the psychic divination of Solitaire in Ian Fleming s Live and Let Die and from the satanic novels of Dennis Wheatley to the deck s adoption by New Age practitioners the cards have in modern times become inseparably connected to the occult They are now viewed as arguably the foremost medium of prophesying and foretelling Yet as the author shows originally the tarot were used as recreational playing cards by the Italian nobility in the Renaissance It was only much later in the 18th and 19th centuries that the deck became associated with esotericism before evolving finally into a diagnostic tool for mind body and spirit This is the first book to explore the remarkably varied ways in which tarot has influenced culture Tracing the changing patterns of the deck s use from game to mysterious oracular device Helen Farley examines tarot s emergence in 15th century Milan and discusses its later associations with astrology kabbalah and the Age of Aquarius **Tarot Spellcaster** Terry Donaldson,2001-01-01 Presenting instructions for more than 40 Tarot spells this book s description of spell casting begins with preparing the room setting up a Tarot altar and meditating to open the spellcaster s third eye 200 full color illustrations
