Alfred Prempeh-Dapaah

The New Being:

The New Creation Felipe Guzman,2019-10-22 We are born into this world as a triune being with a body soul and spirit Our physical body allows us to live within the physical realm and our soul is the director of all our mental and physical labor It is our spirit that gives life or allows us to be alive which in turn allows our conscious soul and physical body to live breathe and move Upon death our physical body remains in this physical realm however our soul and spirit will continue on for all eternity within the spiritual realm Our spirit and soul are two separate immaterial entities and need to be separated for the purpose of the human spirit to become the gateway for the entrance of God s Holy Spirit into the human spirit This is the born again experience that leads a person to become a new creation of God The spiritual rebirth of the human spirit is the only way one can enter God s heavenly kingdom and the only way the human spirit can go through the spiritual rebirth is by allowing God s Holy Spirit entrance into their spirit The only way that God s Holy Spirit will enter a person s spirit is by that person believing that Jesus Christ God incarnate died for their sins and the sins of the world thus removing the penalty of judgment of God s wrath upon those who chose to believe and accept Jesus Christ as their personal Lord and Savior This book gives biblical support for the reality of the triune composition of humanity and the function and destiny of each New Creation Eschatology and the Land Steven L. James,2017-09-27 What will the final state of the redeemed look like Throughout the history of the church conceptions of the final state have tended to minimize the promise of the new heavens and new earth In contrast to the historical dominance of spiritual heavenly non temporal conceptions of the final state the last two decades have witnessed a rise in conceptions that include the redemption of material earthly and temporal reality These new creation conceptions have included proposals regarding the fulfillment of Old Testament land promises In New Creation Eschatology and the Land Steven L James argues that in recent new creation conceptions of the final state there is a logical inconsistency between the use of Old Testament texts to inform a renewed earth and the exclusion of the territory of Israel from that renewed earth By examining a select group of new creationists James shows that the exclusion of the territorial restoration of Israel in a new creation conception fails to appreciate the role of the particular territory in Old Testament prophetic texts and results in an inconsistent new creationism **The New Creation in Christ** Alfred Prempeh-Dapaah,2016-04-30 What actually makes a person become a new creation in Christ and what should be the lifestyle of the new creation in Christ This book reveals some of the realities of the new creation in Christ that can be compared to a metamorphosis Knowing what makes a person become a new creation in Christ is the beginning of a good strong and successful Christian life It helps the person to identify themselves and what they have to accomplish God purposed plan of life for them in Christ Good to be read by the just born again and all that seeks to grow into spiritual maturity *Harper's New Monthly Magazine* ,1878 **The Builder** ,1877 *The Encyclopædia Britannica* ,1891 **The Academy** ,1876 *To the New Creation* Donna Lee Batty ,2024-02-23 God has given all His children those who follow His Son the full

capacity to live out of the life of Jesus who is the firstborn among MANY brethren We are all Jesus brothers and sisters Our life is unique to all other creations all other humankind and even to angels No other has this incredible Christ indwelling them To the New Creation Living Out Our New Identity is a clarion call to all who are in Christ From unveiling the Perfect One whose image we have been made to bear through all the incredible truths that are ours along with the very real obstacles and threats we face this book leads the reader into much needed fresh insight into the Christian s identity This book is not a light fluffy read but is intended to remind the believer of the truth to renew their strength courage and faith as they discover afresh or for the first time who they really are because of who Christ is and just what that means to God and to the world

Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The New Being : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
