*What and how to Preach* Alexander Oliver, 1892 [Preaching in High Definition](#) Dr. Ryan Mustered, 2025-05-29 Our enemies the world the flesh and the devil are ravaging humankind like biological weapons You hold the antidote the Word of God The only challenge is convincing stubborn humans to take the antidote As a warrior you will have to use every weapon in your communication arsenal We live in a high definition culture Video audio pictures and crystal clear messages flood our eyes ears minds and hearts Social media the internet television radio and printed content have the potential for either great good or great evil So what is high definition preaching It is simply this clearly communicating God's word to transform lives using every weapon the Lord provides God's word is living and active sharper than any two edged sword Hebrews 4:12 So why are some preachers able to brandish it like a lightsaber but others seem to swing it around like a butter knife Why do some sermons come across like a fuzzy 13 inch black and white analog TV buy it now for 10 at Goodwill while other sermons come alive like your buddy's new 75 inch Neo QLED 8K TV buy it now on Amazon for 1 998 That's the difference that high definition preaching makes The child of God preaching the Word of God with clarity empowered by the Spirit of God will be an effective weapon in this battle for the souls of humankind It's time to level up and put some new weapons in your communication arsenal We have to preach in high definition to reach a high definition culture
