## **Sociology With Powerweb:**

Sociology with PowerWeb Richard T. Schaefer, 2004 Like its predecessors the ninth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination An optional package ISBN 0 07 321521 X combines the Schaefer Ninth Edition with both PowerWeb and Reel Society Interactive Movie 2 0 CD ROM The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment the AIDS crisis welfare reform the death penalty and privacy and censorship in an electronic age Richard T Schaefer

**Sociology** Schaefer, 2005-03 Sociology Richard T. Schaefer, 2004

Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books

Michigan Sociological Review, 2005 **Sociology Matters with PowerWeb** Richard T. Schaefer, 2003 Features written chapter introductions and a unifying theme answering the question How does sociology matter This book helps students to better understand the workings of their own lives as well as of their society and other cultures It is designed to appeal to instructors

**Sociology** Kenneth J. Neubeck, Davita Silfen Glasberg, 2004-05 This text offers students a lively provocative introduction to the principles of sociology It encourages students to develop what C Wright Mills called a sociological imagination enabling them to see how their position in society and in history shapes their personal lives Using a critical approach the authors raise analytical questions and explore the social forces that affect each individual's life and life chances While focusing on the influence of power and privilege on society's haves and have-nots the authors suggest the need for social change
