Sociology Of Childhood

Berry Mayall

Sociology Of Childhood:

The Sociology of Childhood William A. Corsaro, 2005 The provision of many amusing examples from Corsaro's own research experience with children make his book a thoroughly enjoyable read as well as a valuable critical sociological analysis of childhood Sociology The Sociology of Childhood is the Second Edition of a text that has been universally acclaimed as the best book on the subject available today It is the only text that thoroughly covers children and childhood from a sociological perspective The second edition retains the same quality coverage of social theories of childhood the consideration of children and childhood in historical and cultural perspective children's peer cultures from preschool through preadolescence and the social problems of children The book has been updated to include new research information and discussions on the latest social indicators regarding children in the United States and around the world Key Features New chapter on up to date methods of research for studying children New chapters on theory cultural change and children's peer cultures New section on children's rights including a description and discussion of the United Nations Convention on the Rights of the Child Updated chapter on the Future of Childhood addresses current policy debates and changing demographics related to children in today's societies Contains many examples of children's actual play and behavior Provides photographs and charts that capture the complexity and diversity of children's lives The Sociology of Childhood is highly recommended for use as the core text in courses on the sociology of children and childhood as well as for parents teachers and other adults interested in the social lives and development of children It can also be used in early education child development and child psychology courses and as a supplemental text in the area of family studies William A Corsaro is the Robert H Shaffer Class of 1967 Endowed Professor of Sociology at Indiana University Bloomington where he teaches courses on the sociology of childhood childhood in contemporary society and ethnographic research methods Corsaro is the author of Friendship and Peer Culture in the Early Years 1985 and We're Friends Right Inside Kids Culture 2003 He was a Fulbright Senior Research Fellow in Bologna Italy in 1983-84 and a Fulbright Senior Specialist Fellow in Trondheim Norway in 2003 His research has been featured on NPR the BBC in London and in the New Yorker

The Sociology of Childhood William A. Corsaro, Judson G. Everitt, 2023-12-20 The Sixth Edition of William A Corsaro and Judson G Everitt's groundbreaking text discusses children and childhood from a sociological perspective providing in depth coverage of social theories of childhood the peer cultures and social issues of children and youth and children and childhood within the frameworks of culture and history This revised edition has been thoroughly updated to incorporate the latest research and the most pertinent information so readers can engage in powerful discussions on a wide array of topics

The Sociology of Childhood Chris Jenks, 1992 Childhood studies is a burgeoning area of concern across a variety of disciplines The thesis underlying this reader is that social theorists have traditionally put forward a view of the child dictated by their own particular visions of social life Thus images of childhood embody theories of politics morality and social control This analysis and selection of material opens

up many of these assumptions to critical appraisal and is suggestive of new ways of seeing childhood experience A Case of Neglect? (1996) Ian Butler, Ian F Shaw, 2018-01-12 Published in 1996 this book advocates and persuasively exemplifies a qualitative sociology of childhood spoken repeatedly through children's voices After a long period of dormancy interest in the sociology of childhood became a focus of attention and scholarly interest Developments in practice by professionals working and learning in the fields of welfare education and youth and community studies have been paralleled by the emergence of specialist courses within sociology degrees Yet the challenges raised by the sociology of childhood remain marginalised within the social sciences more generally A Case of Neglect provides an accessible reader and review of the field Heard wherever possible through children's and young people's voices it provides a penetrating insight into their understandings and experiences of their own and adults worlds It also provides a readable and absorbing review of qualitative applications in the sociology of childhood and a counter to the common reliance on evidence derived from quantitative approaches The fieldwork applications range across the often hidden worlds of children's and young people's involvement in prostitution their experience of abuse black children's experiences of social services children's school cultures naturist children and childlessness Always arresting and sometimes poignant A Case of Neglect works towards a sociology which is both of and for childhood This book was originally published as part of the Cardiff Papers in Qualitative Research series edited by Paul Atkinson Sara Delamont and Amanda Coffey The series publishes original sociological research that reflects the tradition of qualitative and ethnographic inquiry developed at Cardiff The series includes monographs reporting on empirical research edited collections focussing on particular themes and texts discussing methodological developments and issues Sociology of Childhood Oscar W. Ritchie, Marvin R. Koller, 1964 **Constructing and Reconstructing Childhood** Allison James, Alan Prout, 2015-05-08 When the first edition of this seminal work appeared in 1990 the sociology of childhood was only just beginning to emerge as a distinct sub discipline Drawing together strands of existing sociological writing about childhood and shaping them into a new paradigm the original edition of this Routledge Classic offered a potent blend of ideas that informed even inspired many empirical studies of children's lives because it provided a unique lens through which to think about childhood Featuring a collection of articles which summarised the developments in the study of childhood across the social sciences including history psychology sociology anthropology feminist and developmental studies scholars and professionals from developed and developing countries world wide shared their knowledge of having worked and of working with children Now with a new introduction from the editors to contextualise it into the 21st century this truly ground breaking text which helped establish childhood studies as a distinctive field of enquiry is being republished *Childhood and Society* Michael Wyness, 2011-10-25 Where can we draw the line between childhood and adulthood To what extent is childhood a social construction How do children make sense of their own social worlds And do children have control over their social environments Childhood and Society 2e explores these questions and key sociological debates to provide a

thorough introduction to the sociology of childhood The second edition takes account of cutting edge research and shows how contemporary practices are impacting on childhood in today s world In particular the book Gives clear guidance on how children have been and continue to be theorized Shows how technology shapes children s play communication and cultures Discusses international case studies that reflect on childhood in a global age Assesses the ethical and methodological issues in researching children s lives Includes a new chapter on child labour reflecting on the relationship between work and schooling With fresh insights into research theory and policy this text takes a truly global view on controversial issues in the field from poverty and children s rights to the media and consumerism It is an indispensable text for students of sociology childhood studies education and social policy

The Sociology of Children, Childhood and Generation Madeleine Leonard,2015-12-01 Outlining sociology s distinctive contribution to childhood studies and our understanding of contemporary children and childhood The Sociology of Children Childhood and Generation provides a thought provoking and comprehensive account of the connections between the macro worlds of childhood and the micro worlds of children s everyday lives Examining children s involvement in areas such as the labour market family life education play and leisure the book provides an effective balance between understanding childhood as a structural phenomenon and recognising children as meaning makers actively involved in constructing co constructing and reconstructing their everyday lives Through the concept of generativity Madeleine Leonard offers a model for examining and illuminating how structure and agency are activated within interdependent relationships influenced by generational positioning This framework provides a conceptual tool for thinking about the continuities challenges and changes that impact on how childhood is lived and experienced

A History of the Sociology of Childhood Berry Mayall,2013 **Childhood And Society** Lee, Nick,2001-10-01 Childhood and Society charts the emergence of the conceptual and institutional divisions between adult human beings and child human beings over the course of the modern era *Childhood and Society* Michael Wyness,2006-04-17 This inspiring new book explores a range of sociological approaches to researching the fascinating lives and social worlds of children and the phenomenon of childhood In doing so it reviews competing theoretical positions on childhood discussing issues such as poverty abuse and rights as well as ethical issues relating to research with children *Childhood* Chris Jenks,2020-10-28 In this book Chris Jenks looks at what the ways in which we construct our image of childhood can tell us about ourselves After a general discussion of the social construction of childhood the book is structured around three examples of the way the image of the child is played out in society the history of childhood from medieval times through the enlightenment discovery of childhood to the present the mythology and reality of child abuse and society s response to it the death of childhood in cases such as the James Bulger murder in which the child itself becomes the perpetrator of evil Part of the highly successful Key Ideas series this book gives students a concise provocative insight into some of the controlling concepts of our culture

Childhood Chris Jenks,2005 Childhood is an extremely complex and highly contested concept It refers to a life phase as

well as to the age group defined as children but is also a cultural construction part of the social and economic structure of communities. The key scholarship collected introduced and reprinted in these volumes reflects this complexity and introduces the reader to the wide variety of interpretations that have been and continue to be placed on it. It might be suggested that the push or initiative in theorizing childhood has derived from advances within sociology and anthropology. However, the future provides potential for interdisciplinary study which this collection also reflects. The contemporary study of childhood must comprise a conjoining of disciplines: sociology, anthropology, psychology, social geography, history, philosophy, and socio-legal theory. All have something to add to the field and are represented within the collection.

Children and Society Gerald Handel, Spencer Cahill, Frederick Elkin, 2007. *Children and Society* presents a comprehensive sociological portrayal of children and childhood from birth to the beginning of adolescence. A major theme is the tension between children's active agency and the socializing influences of the family, school, peer groups, and mass media. The book incorporates the most recent research and theories of childhood socialization. Its theoretical perspective is primarily symbolic interactionism, which emphasizes the development of the self. The volume features research that documents cultural variations within society shaped by social class, race, and ethnicity, and gender.

Towards a Sociology for Childhood Berry Mayall, 2009.

The Sociology of Childhood, 2014.

The Sociology of Early Childhood Norman Gabriel, 2017-02-20. *The Sociology of Early Childhood* is a theoretically and historically grounded examination of young children's experiences in contemporary society. Arguing that a sociology of early childhood must bring together and integrate different disciplines, this book synthesises different sociological perspectives on childhood as well as incorporating multi-disciplinary research findings on the lives of young children. It explains key theoretical concepts in early childhood studies such as investment, early intervention, professional power, and discourse. It examines the importance of play, memory, and place, evaluates long-term parenting trends, uses illustrative examples and case studies, discussion questions, and annotated further reading to engage and stimulate readers. Invigorating and thought-provoking, this is an invaluable read for advanced undergraduates and postgraduate students looking for a more nuanced and progressive understanding of childhood.

Kids in Context Sarane Spence Boocock, Kimberly Ann Scott, 2005. *Kids in Context* is an excellent presentation of qualitative research and theories of childhood.

Key Concepts in Childhood Studies Allison James, Adrian James, 2012-07-31. This book has already proved itself as a course adoption leader in Childhood Studies. All of the strengths of the First Edition have been retained. The book is comprehensive and judged with the needs of students in mind. It is a model of clarity and precision and has been acknowledged as such in reviews and course feedback. The new edition thoroughly revises old entries and adds new ones. The book is the most accessible relevant student introduction to this expanding interdisciplinary field.

Childhood Chris Jenks, 1996. In this fascinating book, Chris Jenks thoroughly examines the concept of childhood. He focuses on the way the image of the child is played out in society, looking specifically at its image through history and the reality of child abuse.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sociology Of Childhood eBooks, including some popular titles.

FAQs About Sociology Of Childhood Books

What is a Sociology Of Childhood PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociology Of Childhood PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociology Of Childhood PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociology Of Childhood PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociology Of Childhood PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
