Bredbeck, 1991 A wide ranging account of the significance of sodomy in the rich discourse of early modern England from 1590 to 1660 The author sets for a challenging reinterpretation of the historicity of homosexuality reading a variety of Renaissance texts in the light of the work of such contemporary theorists as Foucault Kristeva Deleuze Guattari Hocquenghem Derrida and Althusser adapted from back cover **Marlowe, History, and Sexuality** Paul Whitfield White, 1998 The year 1993 marked the 400th anniversary of Marlowe's death by stabbing in a tavern brawl It also served as a rallying point for novels plays a film and many scholarly events Marlowe's life and writings his commitments and ambivalences his politically correct and violently anti establishment posturings make him a man for the 1990s This work contains 13 essays by Marlovian writers of today **Sodoms zaad in Nederland** Theo van der Meer, 1995 Overzicht van de gangbare denkbeelden over homoseksualiteit vanaf de late middeleeuwen tot ca 1850 **Tijdschrift voor sociale geschiedenis**, 1996 **Sodomy in Early Modern Europe** Thomas Betteridge, 2002-10-11 This fascinating collection of essays reflects closely the main areas of debate within gay historiography **Sex and Sexuality in Anglo-Saxon England** Daniel Gillmore Calder, Carol Braun Pasternack, Lisa M. C. Weston, 2004 **Shakespeare and Minorities** Parvin Kujoory, 2001 In a bibliography of criticism rather than Shakespeare texts or thoughts Kujoory offers an indicative rather than exhaustive annotated list of over 900 items that she has relied on or selected as most germane for the various interpretations or critical reception of Shakespeare plays with regard to women blacks Jews homosexuals slaves and others The annotations are primarily descriptive but some include short excerpts Annotation copyrighted by Book News Inc Portland OR

Bombelles and complaints of wives against husbands and marital separation cases in Paris In principle kings and husbands fathers masters preserved order in the kingdom and the household by controlling themselves as well as their subordinates In practice they sometimes provoked disorder and failed in many ways to prevent and punish disorder Merrick TM s articles on suicide and sodomy not only revisit some celebrated incidents the deaths of the dragoons Bourdeaux and Humain who shot themselves on 25 December 1773 and notorious characters the oepederast marquis de Villette and oetribade mademoiselle de Raucourt but also document patterns in the lives and deaths of ordinary men and women Based like the articles on marital disputes on extensive archival research they investigate changes in jurisprudence and mentalities during the eighteenth century As a whole this volume challenges simplistic assumptions about absolutism Enlightenment and Revolution Given the number of subjects addressed and the nature of the issues involved the engaging articles will interest many readers

Where are We Now in Shakespearean Studies? William R. Elton,John M. Mucciolo,2002 This second volume of The Shakespearean International Yearbook continues the work of assessing the present state of Shakespeare studies in the new millennium Comprising 20 essays by distinguished scholars from North America the UK and Australia it is divided into sections on criticism and theory text textuality and technology Renaissance ideas and conventions and Shakespeare and the city    **The Bisexual Imaginary** Bi Academic Intervention,1997 This insightful and lively book examines the consumption of the lesbian idols kd lang and Martina Navratilova by their many lesbian fans in contemporary society through an analysis of lesbian recognition identification and desire Allen suggests that the star fan relationship existing between these stars and their fans challenges a heterosexual notion of sex as determining gender because of the function of the masculine woman as a powerful signifier of lesbian identity Thus the way in which Martina and kd embody an ongoing and lived out lesbian identity makes representations of them in the mainstream media an unprecedented phenomenon which undercuts the primacy of heterosexual gender relations This is contrasted with the recent media popularization of lesbian chic which is viewed rather as a homophobic recuperation of lesbians under the visual codes of conventional femininity The Lesbian Idol presents a multertextual and highly critical analysis of lesbian fans personal accounts of their adoration for their idols the ways in which Martina and kd have been represented in the mainstream media and the key discourses through which lesbian identity and culture have recently been theorized such as psychoanalysis queer theory and feminism    **Horrid Spectacle** Deborah G. Burks,2003 In early modern England scenes of torture murder and infidelity were often graphically depicted on the stage In this study Burks examines the trope of violation in the theater of early modern England and explores the connections between these theatrical representations and the use of violation imagery in a range of other public and private discourses Her analysis encompasses texts such as Shakespeare s Measure for Measure Aphra Behn s The City Heiress

Arbella Stuart Seymour's letters and Margaret Cavendish's fiction and drama. This study of violation, one of the most potent ubiquitous and durable tropes of the English Reformation, explores the connections between these theatrical representations and the use of violation imagery in a range of public and private discourses from Protestant polemic, parliamentary legislation and political pamphlets to aristocratic letters, royalist fiction and regicidal histories. Burks considers private and political writing alongside literary texts, the disparate motives, modes of address and methods of transmission of each type of writing thus serve as foils for one another. Burks also places women writers in the company of their male peers without segregating or prioritizing either gender group.
