Bendelow,1981-01-01 *Soil Erosion and Sediment Redistribution in River Catchments* Philip N. Owens,A. J. Collins,2006 This book reviews the major achievements recently made in soil erosion and sediment redistribution research and management and identifies future requirements The book presents work from key players in river basin soil erosion and sediment redistribution from sources to sinks field to riverbank from academia to policy and industry It examines the developments made in three themes measurement modelling and management and covers a variety of scales in both time and space and geographical locations **Moorland & Vale-land Farming in North-east Yorkshire** Bryan Waites,1967 Soils and Their Use in Northern England R. A. Jarvis,1984 An Agricultural Geography of Great Britain D. W. Gilchrist Shirlaw,2013-10-22 An Agricultural Geography of Great Britain is a comprehensive account of Great Britain s agricultural geography The relationship between agriculture and geography is highlighted with emphasis on the points of contact between them including soils geology climate and systems of farming The farming systems of Great Britain are described along with the agriculture of Scotland and the border country as well as the agricultural regions of England and Wales This book is divided into four sections and begins with an overview of the factors affecting the choice of a farming system including economic circumstances soil climate topography disease and the personal preference and individual skills of the farmer The next section is devoted to Great Britain s farming systems which include hill sheep farming and hill sheep with cattle stock rearing and fattening dairy farming horticulture and market gardening often with some livestock and pigs and poultry The agriculture of Scotland and the border country is then considered followed by a discussion on the agricultural regions of England and Wales This monograph is intended primarily for agriculturists and geographers as well as students of agricultural geography Soil and Water Conservation Policies and Programs Ted L. Napier,Silvana M. Napier,Jiri Tvrdon,2024-11-01 For as far into the future as we can see governments will probably topple power will continue to exchange hands the climate will undergo continuous change and the global economy will ebb and flow like the oceans But for the world s many diverse countries whether they be highly industrialized or third world one thing will always remain constant the need to solve the planet s pressing soil and water conservation problems as well as implement effective policies But why do some policy initiatives succeed while others fail *Soil and Water Conservation Policies and Programs Successes and Failures* addresses this very question Based on an international conference held in Prague this book debates the strengths and weaknesses of soil and water conservation initiatives implemented in North America Europe and Australia Soil and water conservation policies in the United States Canada Germany Austria Yugoslavia and other countries are examined through the eyes of technical and soil scientists And the book also addresses specialized topics such as agricultural pollution abatement in Poland and private farmers and contemporary conservation subsidy programs in the Czech Republic With its

thorough treatment of the subject matter Soil and Water Conservation Policies and Programs Successes and Failures contributes to resolving one of the world's most pressing conservation issues      *Soil Survey Record* Soil Survey of England and Wales, 1984      **The Naturalist**, 1885      *Quaternary of Northern England* David Huddart, Neil F.
